You should always visit myuhc.com for the most current information. **Premium designations are a guide to choosing a physician and may be used as one of many factors you consider when choosing a physician. If you already have a physician, you may also wish to confer with him or her for advice on selecting other physicians. You should also discuss designations with a physician before choosing him or her. Physician evaluations have a risk of error and should not be the sole basis for selecting a physician.** Please visit myuhc.com for detailed program information and methodologies. The UnitedHealthcare plan with **Health Savings Account (HSA)** is a qualifying high deductible health plan (HDHP) that is designed to comply with IRS requirements so eligible enrollees may open a Health Savings Account (HSA) with a bank of their choice or through Optum Bank, Member of FDIC. The HSA refers only and specifically to the Health Savings Account that is provided in conjunction with a particular bank, such as Optum Bank, and not to the associated HDHP.
