

Medicare Part D Pharmacy Plan List - 2010
Heritage Plans

Please note:

- As a courtesy, UnitedHealthcare has engaged our partner, Ingenix Consulting, to perform a bulk testing of our standard benefit designs to satisfy the actuarial value test of the creditable coverage determination. However, according to CMS guidelines, the employer has the ultimate responsibility to determine/confirm whether its plan, as implemented, offers creditable coverage.
- The results are sorted by copay design. To find your respective plan design, please search based on the copay (ex. 10/35/70)
