	Please note: <ul style="list-style-type: none"> As a courtesy, UnitedHealthcare has engaged our partner, Ingenix Consulting, to perform a bulk testing of our standard benefit designs to satisfy the actuarial value test of the creditable coverage determination. However, according to CMS guidelines, the <u>employer has the ultimate responsibility to determine/confirm whether its plan, as implemented, offers creditable coverage.</u> The results are sorted by copay design. To find your respective plan design, please search based on the copay (ex. 10/35/70)
