

## UnitedHealthcare Oxford Health Plan Medicare Part D Plan List (2010)

### Instructions

#### General Information

- 1.This list has been split into plans with embedded deductibles and plans with non-embedded deductibles.
- 2.Results assume all drugs, including preventive, have the same coverage. If this is not the case, a custom creditable coverage test will be required.
- 3.If a HRA plan with an employer contribution is listed as "Fail", a custom creditable coverage test will be required.

#### Instructions

- 1.Search for a plan with the same Copay/Coinsurance, Deductible and OOP as yours.
- 2."**Pass**" means that your plan is creditable
- 3."**Fail**" means that your plan is not creditable

#### Determination Guidelines

1.If you cannot find a plan with the same Copay/Coinsurance structure as yours, a custom creditable coverage test will be required.

**2.Your Plan Passes if.....**You can find a less benefit rich plan than yours (with the same Copays/Coinsurance and a greater than or equal Deductible and OOP) that Passes

*Example: 7/25/45 copay, 900/1800 Embedded Deductible, 1800/3600 OOP will pass because 7/25/45 copay, 1000/2000 Embedded Deductible, 2000/4000 OOP is listed as "Pass".*

**3.Your Plan Fails if....**You can find a richer plan (with the same Copays/Coinsurance and a lesser than or equal Deductible and OOP) that Fails

*Example:10/25/50 copay, 1700/3400 Non-Embedded Deductible, 3400/6800 OOP will fail because 10/25/50 copay, 1600/3200 Non-Embedded Deductible, 3200/6400 OOP is listed as "Fail".*
