What's a Medicare Advantage Plus (MAP/HMO) + Dual Eligible Special Needs Plan (D-SNP) plan?	Our MAP plan is a Health Maintenance Organization (HMO) aligned with a Dual Eligible (Medicaid and Medicare) Special Needs Plan (D-SNP). Our plan combines your Medicaid home care and long-term care services and your Medicare services. It combines your doctors, hospital, pharmacies, home care, nursing home care, behavioral health care (mental health and substance use/addiction services), and other health care providers into one coordinated health care system. It also has care managers to help you manage all of your providers and services. They all work together to provide the care you need. Our MAP plan is called UHC Dual Complete NY-YL (HMO-POS D-SNP).
Will I get the same Medicare and Medicaid benefits in UHC Dual Complete NY-YL (HMO-POS D-SNP) that I get now?	If you're coming to UHC Dual Complete NY-YL (HMO-POS D-SNP) from Original Medicare or another Medicare plan, you may get benefits or services differently. You'll get almost all of your covered Medicare and Medicaid benefits directly from UHC Dual Complete NY-YL (HMO-POS D-SNP). Can I use the same health care providers I use now?	That's often the case. If your providers (including doctors, therapists, pharmacies, and other health care providers) work with UHC Dual Complete NY-YL (HMO-POS D-SNP) and have a contract with us, you can keep going to them. • Providers with an agreement with us are “in-network.” You must use the providers in UHC Dual Complete NY-YL (HMO-POS D-SNP)’s network. • If you need urgent or emergency care of behavioral health crisis services or out-of-area dialysis services, you can use providers outside of UHC Dual Complete NY-YL (HMO-POS D-SNP) network. To find out if your providers are in the plan’s network, call Member Services at the numbers listed at the bottom of this page or read UHC Dual Complete NY-YL (HMO-POS D-SNP)’s Provider and Pharmacy Directory. You can also visit our website myUHC.com/CommunityPlan for the most current listing. If UHC Dual Complete NY-YL (HMO-POS D-SNP) is new for you, we’ll work with you to develop an Individualized Plan of Care (ICP) to address your needs. You can keep using the providers you use now for 90 days or until your ICP is completed. Further, members who enroll on or after January 1, 2027, can continue to use their same behavioral health providers for up to 24 months as part of a continuous episode of care. “Continuous Behavioral Health Episode of Care” means a course of ambulatory behavioral health treatment, other than ambulatory detoxification and withdrawal services, which began prior to the effective date of the behavioral health benefit inclusion into MAP in the geographic service area in which services had been provided to an enrollee at least twice during the six months preceding January 1, 2027 by the same provider for the treatment of the same or related behavioral health condition.
