UHC Dual Complete VA-YL (HMO-POS D-SNP)
UHC Dual Complete VA-Y002 (HMO-POS D-SNP)
2027 *List of Covered Drugs (Drug List or Formulary)*

Introduction

This document is called the *List of Covered Drugs* (also known as the *Drug List*). It tells you which drugs and over-the-counter (OTC) drugs and non-drug products are covered by UHC Dual Complete VA. The *Drug List* also tells you if there are any special rules or restrictions on any drugs covered by UHC Dual Complete VA. Key terms and their definitions appear in the last chapter of the *Evidence of Coverage*.

A. Disclaimers

This is a list of drugs that members can get in UHC Dual Complete VA.

- ❖ You can always check UHC Dual Complete VA's up-to-date *List of Covered Drugs* online at **myuhc.com/CommunityPlan** or call Member Services at the numbers listed at the bottom of this page. The call is free.
- ❖ You can get this document for free in other formats, such as large print, braille, or audio. Call Member Services at the numbers listed at the bottom of the page. The call is free.
- ❖ You can call Member Services at the number listed at the bottom of this page, and ask us to make a note in our system that you would like materials in a different language and/or alternate format now and in the future. This is called a "standing order". You can also make changes to your standing order at any time by calling Member Services. The call is free.
- ❖ UnitedHealthcare does not discriminate on the basis of race, color, national origin, creed, religion, sexual orientation, public assistance status, age, mental or physical disability, gender, marital status, or disability in health programs and activities.

If you have questions, please call UHC Dual Complete VA at **844-368-7151**, TTY **711**, 8 a.m.-8 p.m. local time, 7 days Oct-Mar, M-F Apr-Sept. The call is free. **For more information**, visit **myuhc.com/CommunityPlan**.

This formulary was updated on October 1, 2026

B. Frequently Asked Questions (FAQ)

Find answers here to questions you have about this *Drug list*. You can read all of the FAQ to learn more or look for a question and answer.

B1. What drugs are on the *List of Covered Drugs*? (We call the *List of Covered Drugs* the *Drug List* for short.)

The drugs on the *Drug List* that starts in **Section C1** are the drugs covered by UHC Dual Complete VA. The drugs are available at pharmacies within our network. A pharmacy is in our network if we have an agreement with them to work with us and provide you services. We refer to these pharmacies as “network pharmacies.”

- UHC Dual Complete VA will cover all medically necessary drugs on the *Drug List* if:
 - your doctor or other prescriber says you need them to get better or stay healthy,
 - UHC Dual Complete VA agrees that the drug is medically necessary for you, **and**
 - you fill the prescription at a UHC Dual Complete VA network pharmacy.
- In some cases, you have to do something before you can get a drug. Refer to question B4 for more information.

You can also find an up-to-date list of drugs that we cover on our website at myuhc.com/CommunityPlan or call Member Services at the numbers listed at the bottom of this page.

B2. Does the *Drug List* ever change?

Yes, and UHC Dual Complete VA must follow Medicare and Medicaid rules when making changes. We may add or remove drugs on the *Drug List* during the year.

We may also change our rules about drugs. For example, we could:

- Decide to require or not require prior authorization for a drug. (Prior authorization is permission from UHC Dual Complete VA before you can get a drug.)
- Add or change the amount of a drug you can get (called quantity limits).
- Add or change step therapy restrictions on a drug. (Step therapy means you must try one drug before we'll cover another drug.)

For more information on these drug rules, refer to question B4.

This section is continued on the next page.

If you have questions, please call UHC Dual Complete VA at **844-368-7151**, TTY **711**, 8 a.m.-8 p.m. local time, 7 days Oct-Mar, M-F Apr-Sept. The call is free. **For more information**, visit myuhc.com/CommunityPlan.

This formulary was updated on October 1, 2026

If you're taking a drug that was covered at the **beginning** of the year, we'll generally not remove or change coverage of that drug **during the rest of the year** unless:

- a new, cheaper drug comes on the market that works as well as a drug on the *Drug List* now, **or**
- we learn that a drug isn't safe, **or**
- a drug is removed from the market.

Questions B3 and B6 below have more information on what happens when the *Drug List* changes.

- You can always check UHC Dual Complete VA's up-to-date *Drug List* online at **myuhc.com/CommunityPlan**. Updates to the *Drug List* are posted on the website monthly.
- You can also call Member Services at the numbers listed at the bottom of this page to check the current *Drug List*.

B3. What happens when there's a change to the *Drug List*?

Some changes to the *Drug List* will happen **immediately**. For example:

- **Substitutions of certain new versions of drugs.** We may immediately remove the drugs from the *Drug List* if we replace them with certain new versions of that drug, but your cost for the new drug will remain \$0 with the same or fewer restrictions. When we add a new version of a drug, we may also decide to keep the brand name drug or original biological product on the list but change its coverage rules or limits.
 - We may not tell you before we make this change, but we'll send you information about the specific change we made once it happens.
 - We can make these changes only if the drug we're adding:
 - is a new generic version of a brand name drug, **or**
 - is a certain new biosimilar version of original biological products on the *Drug List* (for example, adding an interchangeable biosimilar that can be substituted for an original biological product without a new prescription).
 - Some of these drug types may be new to you. For more information, refer to **Section B14**.
 - You or your provider can ask for an exception from these changes. We'll send you a notice with the steps you can take to ask for an exception. Refer to questions B10 - B12 for more information on exceptions.
- **Remove unsafe drugs and other drugs that are taken off the market.** Sometimes

This section is continued on the next page.

If you have questions, please call UHC Dual Complete VA at **844-368-7151**, TTY **711**, 8 a.m.-8 p.m. local time, 7 days Oct-Mar, M-F Apr-Sept. The call is free. **For more information**, visit **myuhc.com/CommunityPlan**.

This formulary was updated on October 1, 2026

a drug may be found unsafe or taken off the market for another reason. If this happens, we may immediately take it off the *Drug List*. If you're taking the drug, we'll send you a notice after we make the change. Contact your doctor or other prescriber and ask about your other options.

We may make other changes that affect the drugs you take. We'll tell you in advance about these other changes to the *Drug List*. These changes might happen if:

- The FDA provides new guidance or there are new clinical guidelines about a drug.
- We remove a brand name drug from the *Drug List* when adding a generic drug that isn't new to the market, **or**
- we remove an original biological product when adding a biosimilar, **or**
- we change the coverage rules or limits for the brand name drug.

When these changes happen, we'll:

- tell you at least 30 days before we make the change to the *Drug List* **or**
- let you know and give you a 30-day supply of the drug after you ask for a refill.

This will give you time to talk to your doctor or other prescriber. They can help you decide:

- if there's a similar drug on the *Drug List* you can take instead **or**
- whether to ask for an exception from these changes. To learn more about exceptions, refer to questions B10 - B12.

B4. Are there any restrictions or limits on drug coverage or any required actions to take to get certain drugs?

Yes. Some drugs have coverage rules or have limits on the amount you can get. In some cases you or your doctor or other prescriber must do something before you can get the drug. For example:

- **Prior authorization:** For some drugs, you or your doctor or other prescriber must get authorization from UHC Dual Complete VA based on specific criteria before you fill your prescription. Prior authorization is different from a referral. UHC Dual Complete VA may not cover the drug if you don't get prior authorization.
- **Quantity limits:** Sometimes UHC Dual Complete VA limits the amount of a drug you can get.
- **Step therapy:** Sometimes UHC Dual Complete VA requires you to do step therapy. This means you'll have to try drugs in a certain order for your medical condition. You might

This section is continued on the next page.

If you have questions, please call UHC Dual Complete VA at **844-368-7151**, TTY **711**, 8 a.m.-8 p.m. local time, 7 days Oct-Mar, M-F Apr-Sept. The call is free. **For more information**, visit **myuhc.com/CommunityPlan**.

This formulary was updated on October 1, 2026

have to try one drug before we'll cover another drug. Under Virginia law, your doctor or other prescriber must document either verbally or in writing why they feel the first drug isn't effective for you and ask for the other drug to be covered.

You can find out if your drug has any additional requirements or limits by looking in the tables in **Section C**. You can also get more information by visiting our website at myuhc.com/CommunityPlan. We have posted online documents that explain our prior authorization and step therapy restrictions. You may also ask us to send you a copy.

You can ask for an exception from these limits. This will give you time to talk to your doctor or other prescriber. They can help you decide if there's a similar drug on the *Drug List* you can take instead or whether to ask for an exception. Refer to questions B10 - B12 for more information about exceptions.

B5. How will I know if the drug I want has limits or if there are required actions to take to get the drug?

The table in the List of Drugs by Drug Type has a column labeled "Necessary actions, restrictions, or limits on use."

B6. What happens if UHC Dual Complete VA changes their rules about how they cover some drugs (for example, prior authorization, quantity limits, and/or step therapy restrictions)?

In some cases, we'll tell you in advance if we add or change prior authorization, quantity limits, and/or step therapy restrictions on a drug. Refer to question B3 for more information about this advance notice and situations where we may not be able to tell you in advance when our rules about drugs on the *Drug List* change.

B7. How can I find a drug on the *Drug List*?

There are two ways to find a drug:

- You can search alphabetically, **or**
- You can search by drug type.

To search **alphabetically**, look for your drug in the Index of Covered Drugs section. You can find it on page 190. The Index of Covered Drugs is an alphabetical list of all of the drugs included in the

This section is continued on the next page.

If you have questions, please call UHC Dual Complete VA at **844-368-7151**, TTY **711**, 8 a.m.-8 p.m. local time, 7 days Oct-Mar, M-F Apr-Sept. The call is free. **For more information**, visit myuhc.com/CommunityPlan.

This formulary was updated on October 1, 2026

Drug List. Brand name drugs and generic drugs as well as over-the-counter (OTC) drugs and non-drug products are listed in the index.

To search **by drug type**, find **Section C** labeled “List of Drugs by Drug Type”. The drugs in this section are grouped into categories by type. For example, if you’re taking a medicine for migraines, you should look in the “Antimigraine Agents” category. That’s where you will find drugs that treat migraines.

B8. What if the drug I want to take isn’t on the *Drug List*?

If you don’t find your drug on the *Drug List*, call Member Services at the numbers listed at the bottom of this page and ask about it. If you learn that UHC Dual Complete VA won’t cover the drug, you can do one of these things:

- Ask Member Services for a list of drugs like the one you want to take. Then show the list to your doctor or other prescriber. They can prescribe a drug on the *Drug List* that’s like the one you want to take. **or**
- Ask UHC Dual Complete VA to make an exception to cover your drug. Refer to questions B10 - B12 for more information about exceptions.

B9. What if I’m a new UHC Dual Complete VA member and can’t find my drug on the *Drug List* or have a problem getting my drug?

We can help. We may cover a temporary 30-day supply of your drug during the first 90 days you’re a member of UHC Dual Complete VA. This will give you time to talk to your doctor or other prescriber. They can help you decide if there’s a similar drug on the *Drug List* you can take instead, or whether to ask for an exception.

If your prescription is written for fewer days, we’ll allow multiple refills to provide up to a maximum of 30 days of medication.

We’ll cover a 30-day supply of your drug if:

- you’re taking a drug that isn’t on our *Drug List*, **or**
- our plan rules don’t let you get the amount ordered by your prescriber, **or**
- the drug requires prior authorization by UHC Dual Complete VA, **or**
- you’re taking a drug that’s part of a step therapy restriction.

This section is continued on the next page.

If you have questions, please call UHC Dual Complete VA at **844-368-7151**, TTY **711**, 8 a.m.-8 p.m. local time, 7 days Oct-Mar, M-F Apr-Sept. The call is free. **For more information**, visit **myuhc.com/CommunityPlan**.

This formulary was updated on October 1, 2026

If you're taking a drug that UHC Dual Complete VA does not consider to be a Part D drug, you have the right to get a one-time, 72-hour emergency supply of the drug.

If you're in a nursing home or other long-term care facility and need a drug that isn't on the *Drug List* or if you can't easily get the drug you need, we can help. If you've been in the plan for more than 90 days, live in a long-term care facility, and need a supply right away:

- We'll cover one 31-day supply of the drug you need (unless you have a prescription for fewer days), whether or not you're a new UHC Dual Complete VA member.
- This is in addition to the temporary supply during the first 90 days you are a member of UHC Dual Complete VA.

If you're going through a change in your level of care, such as being transferred from a hospital to a long-term care facility, any time during the year, we may cover a temporary 31-day supply of the drug you need. This will give you time to talk to your doctor or other prescriber about other treatment options or to try to get an exception. Refer to questions B10 - B12 for more information about exceptions.

We won't pay for more of your drug after you get a temporary supply unless you receive authorization from the plan.

B10. Can I ask for an exception to cover my drug?

Yes. You can ask UHC Dual Complete VA to make an exception to cover a drug that isn't on the *Drug List*.

You can also ask us to change the rules on your drug.

- For example, UHC Dual Complete VA may limit the amount of a drug we'll cover. If your drug has a limit, you can ask us to change the limit and cover more.
- Other examples: You can ask us to drop step therapy restrictions or prior authorization requirements.

B11. How can I ask for an exception?

To ask for an exception, call Member Services. A Member Services representative will work with you and your provider to help you ask for an exception. You can also read **Chapter 9, section 7.2** of the *Evidence of Coverage* to learn more about exceptions.

This section is continued on the next page.

If you have questions, please call UHC Dual Complete VA at **844-368-7151**, TTY **711**, 8 a.m.-8 p.m. local time, 7 days Oct-Mar, M-F Apr-Sept. The call is free. **For more information**, visit **myuhc.com/CommunityPlan**.

This formulary was updated on October 1, 2026

B12. How long does it take to get an exception?

After we get a statement from your prescriber supporting your request for an exception, we'll give you a decision within 72 hours. Your doctor or other prescriber can fax or mail the statement to us. Or your doctor or other prescriber can tell us on the phone, and then fax or mail the statement. If you have questions, call Member Services at the numbers listed at the bottom of this page.

If you or your prescriber think your health may be harmed if you have to wait 72 hours for a decision, you can ask for an expedited exception. This is a faster decision. If your prescriber supports your request, we'll give you a decision within 24 hours of getting your prescriber's supporting statement.

B13. What are generic drugs?

Generic drugs are made up of the same active ingredients as brand name drugs. They usually cost less than the brand name drug and generally work just as well. They usually don't have well-known names. Generic drugs are approved by the Food and Drug Administration (FDA). There are generic drugs available for many brand name drugs. Generic drugs usually can be substituted for brand name drugs at the pharmacy without a new prescription - depending on state laws.

UHC Dual Complete VA covers both brand name drugs and generic drugs.

B14. What are original biological products and how are they related to biosimilars?

When we refer to drugs, this could mean a drug or a biological product. Biological products are drugs that are more complex than typical drugs. Since biological products are more complex than typical drugs, instead of having a generic form, they have forms that are called biosimilars. Generally, biosimilars work just as well as the original biological product and may cost less. There are biosimilar alternatives for some original biological products. Some biosimilars are interchangeable biosimilars and, depending on state laws, may be substituted for the original biological product at the pharmacy without needing a new prescription, just like generic drugs can be substituted for brand name drugs.

For more information on drug types, refer to **Chapter 5** of the *Evidence of Coverage*.

This section is continued on the next page.

If you have questions, please call UHC Dual Complete VA at **844-368-7151**, TTY **711**, 8 a.m.-8 p.m. local time, 7 days Oct-Mar, M-F Apr-Sept. The call is free. **For more information**, visit **myuhc.com/CommunityPlan**.

This formulary was updated on October 1, 2026

B15. What are OTC drugs?

OTC stands for “over-the-counter.” UHC Dual Complete VA covers some OTC drugs when they’re written as prescriptions by your provider.

You can read the UHC Dual Complete VA *Drug List* to find out what OTC drugs are covered.

B16. Does UHC Dual Complete VA cover non-drug OTC products?

Yes. UHC Dual Complete VA covers some non-drug OTC products when they’re written as prescriptions by your provider. Examples of non-drug OTC products include Rubbing Alcohol, Urine Test Strips, and Petroleum Ointment.

These non-drug OTC products are listed in the *Drug List* in **Section C**.

B17. Does UHC Dual Complete VA cover long-term supplies of prescriptions?

Yes. UHC Dual Complete VA offers two ways to get a long-term supply (also called an extended supply) of “maintenance” drugs on our plan’s *Drug List*. Maintenance drugs are drugs that you take on a regular basis, for a chronic or long-term medical condition.

- **Retail pharmacy.** Some retail pharmacies in our network allow you to get a long-term supply of maintenance drugs. Your *Provider and Pharmacy Directory* tells you which pharmacies in our network can give you a long-term supply of maintenance drugs.
- **Mail-order.** Our plan’s mail-order service allows you to order up to a 100-day supply. To get order forms and information about filling your prescriptions by mail, please reference your *Provider and Pharmacy Directory* to find the mail service pharmacies in our network. If you use a mail-order pharmacy not in the plan’s network, your prescription won’t be covered.

For more information about getting a long-term supply of drugs, call Member Services at the numbers listed at the bottom of this page.

B18. Can I get prescriptions delivered to my home from my local pharmacy?

Your local pharmacy may be able to deliver your prescription to your home. You can call your pharmacy to find out if they offer home delivery.

This section is continued on the next page.

If you have questions, please call UHC Dual Complete VA at **844-368-7151**, TTY **711**, 8 a.m.-8 p.m. local time, 7 days Oct-Mar, M-F Apr-Sept. The call is free. **For more information**, visit **myuhc.com/CommunityPlan**.

This formulary was updated on October 1, 2026

B19. What's my copay?

UHC Dual Complete VA members have no copays for prescription and OTC drugs and non-drug products as long as the member follows the plan's rules. Refer to questions B15 and B16 for more information about OTC drugs and non-drug products.

All covered drugs on our list (Generic or Brand) have a \$0 copay.

OTC drugs also have a \$0 copay.

If you have questions, call Member Services at the numbers listed at the bottom of this page.

If you have questions, please call UHC Dual Complete VA at **844-368-7151**, TTY **711**, 8 a.m.-8 p.m. local time, 7 days Oct-Mar, M-F Apr-Sept. The call is free. **For more information**, visit **myuhc.com/CommunityPlan**.

This formulary was updated on October 1, 2026

C. Overview of the *List of Covered Drugs*

The *List of Covered Drugs* gives you information about the drugs covered by UHC Dual Complete VA. If you have trouble finding your drug in the list, turn to the Index of Covered Drugs that begins in **Section D**. The index alphabetically lists all drugs covered by UHC Dual Complete VA.

Note: The asterisk (*) at the end of the Drug name in the Drug Name column means the drug isn't a "Part D drug" and is covered by Medicare or Cardinal Care. These drugs have different rules for appeals.

- An appeal is a formal way of asking us to review a decision we made about your coverage and to change it if you think we made a mistake.
- For example, we might decide that a drug that you want isn't covered or is no longer covered by Medicare or Cardinal Care.
- If you or your prescriber disagrees with our decision, you can appeal. If you ever have a question, call Member Services at the numbers listed at the bottom of this page.
- You can also read **Chapter 9** of the *Evidence of Coverage* to learn how to appeal a decision.

C1. List of Drugs by Drug Type

The drugs in this section are grouped into categories by type. For example, if you are taking a medicine for migraines, you should look in the "Antimigraine Agents" category. That is where you will find drugs that treat migraines.

The first column of the table lists the name of the drug. Generic drugs are listed in lower-case italics (for example, *simvastatin*), brand name drugs are capitalized (for example, HUMALOG). The information in the "Necessary actions, restrictions, or limits on use" column tells you if UHC Dual Complete VA has any rules for covering your drug. OTC drugs and non-drug products are listed in this table. Generic drugs are in lower-case italics (for example, *aspirin*) and brand name drugs are capitalized (for example, TYLENOL).

Here are the meanings of the codes used in the "Necessary actions, restrictions, or limits on use" column:

PA – Prior authorization

For some drugs, you or your doctor or other prescriber must get authorization from UHC Dual Complete VA before you fill your prescription. Prior authorization is different from a referral. UHC Dual Complete VA may not cover the drug if you don't get prior authorization.

QL – Quantity limits

Sometimes UHC Dual Complete VA limits the amount of a drug you can get.

ST – Step therapy

Sometimes UHC Dual Complete VA requires you to do step therapy. This means you'll have to try drugs in a certain order for your medical condition. You might have to try one drug before we'll

This section is continued on the next page.

cover another drug. If your prescriber thinks the first drug doesn't work for you, then we'll cover the second. Under Virginia law, your doctor or other prescriber must document either verbally or in writing why they feel the first drug isn't effective for you and ask for the other drug to be covered.

B/D – Medicare Part B or Part D

Depending on how this drug is used, it may be covered by either Medicare Part B (doctor and outpatient health care) or Medicare Part D (prescription drugs). Your doctor or prescriber may need to provide the plan with more information about how this drug will be used to make sure it's correctly covered by Medicare.

LA – Limited access

Drugs are considered "limited access" if the FDA says the drug can only be given out by certain facilities, doctors or prescribers. These drugs may require extra handling, provider coordination or patient education that can't be done at a network pharmacy.

MME – Morphine milligram equivalent

Additional quantity limits may apply to all opioid drugs used to treat pain. This additional limit is called a cumulative Morphine Milligram Equivalent (MME). It's designed to monitor safe dosing levels of opioids for people who may be taking more than one opioid drug for pain management. If your doctor or prescriber prescribes more than this amount or thinks the limit isn't right for your situation, you or your doctor or prescriber can ask the plan to cover the additional quantity.

7D – 7-day limit

An opioid drug used to treat pain may be limited to a 7-day supply if you don't have a recent history of using opioids. This limit helps minimize long-term opioid use. If you are new to the plan and have a recent history of using opioids, the pharmacy may override the limit when appropriate.

DL – Dispensing limit

Dispensing limits apply to this drug. This drug is limited to a 1-month supply per prescription.

<i>westussin dm liq 7.5-2-15 (liquid) *</i>	\$0	
XPECT TAB 400MG (TABLET) *	\$0	
Respiratory Tract/Pulmonary Agents		
Antihistamines		
<i>azelastine hcl (0.1% nasal solution)</i>	\$0	
<i>cetirizine hcl (5mg/5ml oral solution)</i>	\$0	
<i>desloratadine (oral tablet)</i>	\$0	
<i>levocetirizine dihydrochloride (oral tablet)</i>	\$0	QL
Anti-inflammatories, Inhaled Corticosteroids		
ARNUITY ELLIPTA (INHALATION AEROSOL POWDER BREATH ACTIVATED)	\$0	QL
<i>budesonide (inhalation suspension)</i>	\$0	B/D, PA; DL
<i>flunisolide (nasal solution)</i>	\$0	
<i>fluticasone propionate (nasal suspension)</i>	\$0	
<i>mometasone furoate (nasal suspension)</i>	\$0	DL
QVAR REDHALER (INHALATION AEROSOL BREATH ACTIVATED)	\$0	QL
Antileukotrienes		
<i>montelukast sodium (oral packet)</i>	\$0	QL
<i>montelukast sodium (oral tablet)</i>	\$0	QL
<i>montelukast sodium (oral tablet chewable)</i>	\$0	QL
<i>zafirlukast (oral tablet)</i>	\$0	QL
Bronchodilators, Anticholinergic		

You can find information on what the symbols and abbreviations in this table mean by referring to pages 14 and 15.

Name of drug	What the drug will cost you	Necessary actions, restrictions, or limits on use
INCRUSE ELLIPTA (INHALATION AEROSOL POWDER BREATH ACTIVATED)	\$0	QL
<i>ipratropium bromide hfa (inhalation aerosol solution)</i>	\$0	DL
<i>ipratropium bromide (inhalation solution)</i>	\$0	B/D, PA
<i>ipratropium bromide (nasal solution)</i>	\$0	
SPIRIVA HANDIHALER (INHALATION CAPSULE)	\$0	QL
SPIRIVA RESPIMAT (INHALATION AEROSOL SOLUTION)	\$0	QL
Bronchodilators, Sympathomimetic		
<i>albuterol sulfate hfa (inhalation aerosol solution)</i>	\$0	
<i>albuterol sulfate (inhalation nebulization solution)</i>	\$0	B/D, PA
<i>albuterol sulfate (2mg/5ml oral syrup)</i>	\$0	DL
<i>albuterol sulfate (oral tablet immediate release)</i>	\$0	DL
<i>arformoterol tartrate (inhalation nebulization solution)</i>	\$0	B/D, PA; DL; QL
<i>epinephrine (injection solution auto-injector)</i>	\$0	QL
<i>levalbuterol hcl (inhalation nebulization solution)</i>	\$0	B/D, PA; DL
LEVALBUTEROL TARTRATE (INHALATION AEROSOL)	\$0	ST
SEREVENT DISKUS (INHALATION AEROSOL POWDER BREATH ACTIVATED)	\$0	QL
Cystic Fibrosis Agents		
CAYSTON (INHALATION SOLUTION RECONSTITUTED)	\$0	PA; DL
KALYDECO (ORAL PACKET)	\$0	PA; DL; QL
KALYDECO (ORAL TABLET)	\$0	PA; DL; QL
ORKAMBI (ORAL PACKET)	\$0	PA; DL; QL
ORKAMBI (ORAL TABLET)	\$0	PA; DL; QL
PULMOZYME (INHALATION SOLUTION)	\$0	B/D, PA; DL; QL
TOBI PODHALER (INHALATION CAPSULE)	\$0	PA; DL; QL
<i>tobramycin (300mg/5ml inhalation nebulization solution)</i>	\$0	B/D, PA; QL
TRIKAFTA (ORAL TABLET THERAPY PACK)	\$0	PA; DL; QL
TRIKAFTA (ORAL GRANULE THERAPY PACK)	\$0	PA; DL; QL
Mast Cell Stabilizers		
<i>cromolyn sodium (inhalation nebulization solution)</i>	\$0	B/D, PA

You can find information on what the symbols and abbreviations in this table mean by referring to pages 14 and 15.

Name of drug	What the drug will cost you	Necessary actions, restrictions, or limits on use
Phosphodiesterase Inhibitors, Airways Disease		
<i>roflumilast (oral tablet)</i>	\$0	PA; DL; QL
<i>theophylline er (oral tablet extended release 12 hour)</i>	\$0	
<i>theophylline er (oral tablet extended release 24 hour)</i>	\$0	
<i>theophylline (oral solution)</i>	\$0	
Pulmonary Antihypertensives		
ADEMPAS (ORAL TABLET)	\$0	PA; DL
<i>alyq (oral tablet)</i>	\$0	PA; DL; QL
<i>ambrisentan (oral tablet)</i>	\$0	PA; DL; QL
<i>bosentan (oral tablet)</i>	\$0	PA; DL; QL
<i>macitentan (oral tablet)</i>	\$0	PA; DL
ORENITRAM MONTH 1 (ORAL TABLET EXTENDED RELEASE THERAPY PACK)	\$0	PA; DL; QL
ORENITRAM MONTH 2 (ORAL TABLET EXTENDED RELEASE THERAPY PACK)	\$0	PA; DL; QL
ORENITRAM MONTH 3 (ORAL TABLET EXTENDED RELEASE THERAPY PACK)	\$0	PA; DL; QL
ORENITRAM (0.125MG ORAL TABLET EXTENDED RELEASE)	\$0	PA; DL
ORENITRAM (0.25MG ORAL TABLET EXTENDED RELEASE, 1MG ORAL TABLET EXTENDED RELEASE, 2.5MG ORAL TABLET EXTENDED RELEASE, 5MG ORAL TABLET EXTENDED RELEASE)	\$0	PA; DL
<i>sildenafil citrate (20mg oral tablet) (generic revatio)</i>	\$0	PA; QL
<i>tadalafil (pah) (20mg oral tablet) (generic adcirca)</i>	\$0	PA; DL; QL
WINREVAIR (SUBCUTANEOUS KIT)	\$0	PA; DL; QL
Pulmonary Fibrosis Agents		
<i>nintedanib esylate (oral capsule)</i>	\$0	PA; DL; QL
OFEV (ORAL CAPSULE)	\$0	PA; DL; QL
<i>pirfenidone (oral capsule)</i>	\$0	PA; QL
<i>pirfenidone (267mg oral tablet, 801mg oral tablet)</i>	\$0	PA; QL
Respiratory Tract Agents, Other		
<i>acetylcysteine (inhalation solution)</i>	\$0	B/D, PA
AIRSUPRA (INHALATION AEROSOL)	\$0	QL

You can find information on what the symbols and abbreviations in this table mean by referring to pages 14 and 15.

Name of drug	What the drug will cost you	Necessary actions, restrictions, or limits on use
ANORO ELLIPTA (INHALATION AEROSOL POWDER BREATH ACTIVATED)	\$0	QL
BREO ELLIPTA (INHALATION AEROSOL POWDER BREATH ACTIVATED)	\$0	QL
BREZTRI AEROSPHERE (INHALATION AEROSOL)	\$0	QL
COMBIVENT RESPIMAT (INHALATION AEROSOL SOLUTION)	\$0	QL
DULERA (INHALATION AEROSOL)	\$0	DL; QL
FASENRA PEN (SUBCUTANEOUS SOLUTION AUTO-INJECTOR)	\$0	PA; DL
FASENRA (SUBCUTANEOUS SOLUTION PREFILLED SYRINGE)	\$0	PA; DL
FLUTICASONE FUROATE-VILANTEROL (INHALATION AEROSOL POWDER BREATH ACTIVATED)	\$0	QL
<i>fluticasone-salmeterol (100-50mcg/act inhalation aerosol powder breath activated, 250-50mcg/act inhalation aerosol powder breath activated, 500-50mcg/act inhalation aerosol powder breath activated) (generic advair)</i>	\$0	QL
<i>ipratropium-albuterol (inhalation solution)</i>	\$0	B/D, PA
NUCALA (SUBCUTANEOUS SOLUTION AUTO-INJECTOR)	\$0	PA; DL; QL
NUCALA (SUBCUTANEOUS SOLUTION PREFILLED SYRINGE)	\$0	PA; DL; QL
NUCALA (SUBCUTANEOUS SOLUTION RECONSTITUTED)	\$0	PA; DL; QL
STIOLTO RESPIMAT (INHALATION AEROSOL SOLUTION)	\$0	QL
SYMBICORT (INHALATION AEROSOL)	\$0	QL
TRELEGY ELLIPTA (INHALATION AEROSOL POWDER BREATH ACTIVATED)	\$0	QL
<i>wixela inhub (inhalation aerosol powder breath activated) (generic advair)</i>	\$0	QL
Skeletal Muscle Relaxants		
Skeletal Muscle Relaxants		
<i>chlorzoxazone (500mg oral tablet)</i>	\$0	

You can find information on what the symbols and abbreviations in this table mean by referring to pages 14 and 15.

Name of drug	What the drug will cost you	Necessary actions, restrictions, or limits on use
<i>cyclobenzaprine hcl (10mg oral tablet, 5mg oral tablet)</i>	\$0	PA
<i>methocarbamol (500mg oral tablet, 750mg oral tablet)</i>	\$0	
Sleep Disorder Agents		
Sleep Promoting Agents		
BELSOMRA (ORAL TABLET)	\$0	QL
<i>eszopiclone (oral tablet)</i>	\$0	QL
QUVIVIQ (ORAL TABLET)	\$0	DL; QL
<i>ramelteon (oral tablet)</i>	\$0	DL; QL
<i>tasimelteon (oral capsule)</i>	\$0	PA; DL; QL
<i>temazepam (15mg oral capsule, 30mg oral capsule)</i>	\$0	PA; QL
<i>zaleplon (oral capsule)</i>	\$0	QL
<i>zolpidem tartrate (oral tablet immediate release)</i>	\$0	QL
Wakefulness Promoting Agents		
<i>armodafinil (oral tablet)</i>	\$0	PA; DL; QL
LUMRYZ (ORAL PACKET)	\$0	PA; DL; QL
LUMRYZ STARTER PACK (ORAL THERAPY PACK)	\$0	PA; DL; QL
<i>modafinil (oral tablet)</i>	\$0	PA; QL
Smoking Cessation Agents		
Anti-Addiction/Substance Abuse Treatment Agents
