#### **Medicaid Benefits**

Information for people with Medicare and Medicaid. Your services are paid first by Medicare and then by Medicaid.

The benefits described below are covered by Medicaid. You can see what District Medicaid covers and what our plan covers.

Coverage of the benefits depends on your level of Medicaid eligibility. If Medicare doesn't cover a service or a benefit has run out, Medicaid may help, but you may have to pay a cost share. In some situations, Medicaid may pay your Medicare cost sharing amount. See your Enrollee Handbook for more details. If you have questions about your Medicaid eligibility and what benefits you are entitled to, call ESA - Department of Human Services Economic Security Administration (ESA), 1-202-671-4200.

#### **About this plan**

UHC Dual Choice DC-Q001 (PPO D-SNP) is a Medicare Advantage PPO plan with a Medicare contract.

To join this plan, you must be entitled to Medicare Part A, be enrolled in Medicare Part B, live within our service area listed below, and be a United States citizen or lawfully present in the United States.

This plan is a Dual Eligible Special Needs Plan (D-SNP) for people who have both Medicare and Medicaid, and don't pay anything for covered medical services. How much Medicaid covers depends on your income, resources, and other factors. Some people get full Medicaid benefits.

Your eligibility to enroll in this plan depends on your type of Medicaid.

You can enroll in this plan if you are in one of these Medicaid categories:

 Qualified Medicare Beneficiary (QMB): You get Medicaid coverage of Medicare cost-share but are not eligible for full Medicaid benefits. Medicaid pays your Part A and Part B premiums, deductibles, coinsurance, and copayment amounts only for Medicare covered services. You pay nothing, except for Part D prescription drug copays.

If your category of Medicaid eligibility changes, your cost share may also increase or decrease. You must recertify your Medicaid enrollment to continue to receive your Medicare coverage.

Our service area includes the following:

**District of Columbia:** District of Columbia.

#### Use network providers and pharmacies

UHC Dual Choice DC-Q001 (PPO D-SNP) has a network of doctors, hospitals, pharmacies and other providers. With this plan, you have the freedom to see any provider nationwide that accepts Medicare. Plus, you have the flexibility to access a network of local providers. You may pay a higher copay or coinsurance when you see an out-of-network provider. When looking at the charts above you'll see the cost differences for network vs. out-of-network care and services. If you use pharmacies that are not in our network, the plan may not pay for those drugs, or you may pay more than you pay at a network pharmacy.

You can go to **UHCCommunityPlan.com** to search for a network provider or pharmacy using the online directories. You can also view the plan Drug List (Formulary) to see what drugs are covered and if there are any restrictions.

#### **Required Information**

UHC Dual Choice DC-Q001 (PPO D-SNP) is insured through UnitedHealthcare Insurance Company or one of its affiliated companies, a Medicare Advantage organization with a Medicare contract and a contract with the District Medicaid Program. Enrollment in the plan depends on the plan's contract renewal with Medicare and with District Medicaid.

Plans may offer supplemental benefits in addition to Part C benefits and Part D benefits.

# **Important information: 2024 Medicare star ratings**

#### **UnitedHealthcare - H2406**

For 2024, UnitedHealthcare - H2406 received the following Star Ratings from Medicare:

Overall Star Rating: ★★★ 4 stars

Health Services Rating: ★★★ 4 stars

Drug Services Rating: ★★★ 4.5 stars

Every year, Medicare evaluates plans based on a 5-star rating system.

#### **Why Star Ratings are Important**

Medicare rates plans on their health and drug services.

This lets you easily compare plans based on quality and performance.

Star Ratings are based on factors that include:

- □ Feedback from members about the plan's service and care□ The number of members who left or stayed with the plan
- The number of complaints Medicare got about the plan
   Data from doctors and hospitals that work with the plan

More stars mean a better plan – for example, members may get better care and better, faster customer service.

# The number of stars shows how well a plan performs.

#### Medicare Advantage plans (Part C) and cost plans

**Medicare Health Maintenance Organization (HMO) Plan** — A Medicare Advantage plan that provides all Original Medicare Part A and Part B health coverage and sometimes covers Part D prescription drug coverage. In most HMOs, you can only get your care from doctors or hospitals in the plan's network (except in emergencies).

**Medicare health maintenance organization (HMO) plan** — A Medicare Advantage plan that provides all Original Medicare Part A and Part B health coverage and sometimes covers Part D prescription drug coverage. HMO-POS plans may allow you to get some services out of network for a higher copay or coinsurance.

**Medicare preferred provider organization (PPO) Plan** — A Medicare Advantage plan that provides all Original Medicare Part A and Part B health coverage and sometimes covers Part D prescription drug coverage. PPOs have network doctors, providers and hospitals but you can also use out-of-network providers, usually at a higher cost.

**Medicare private fee-for-service (PFFS) plan** — A Medicare Advantage plan in which you may go to any Medicare-approved doctor, hospital and provider that accepts the plan's payment, terms and conditions and agrees to treat you — not all providers will. If you join a PFFS plan that has a network, you can see any of the network providers who have agreed to always treat plan members. You will usually pay more to see out-of-network providers.

**Medicare Special Needs Plan (SNP)** — A Medicare Advantage plan that has a benefit package designed for people with special health care needs. Examples of the specific groups served include people who have both Medicare and Medicaid, people who reside in nursing homes, and people who have certain chronic medical conditions.

**Medicare Medical Savings Account (MSA) plan** — MSA plans combine a high deductible health plan with a bank account. The plan deposits money from Medicare into the account. You can use it to pay your medical expenses until your deductible is met.

**Medicare cost plan** — In a Medicare cost plan, you can go to providers both in and out-of-network. If you get services outside of the plan's network, your Medicare-covered services will be paid for under Original Medicare but you will be responsible for Medicare coinsurance and deductibles.

## Stand-alone Medicare prescription drug (Part D) plan

**Medicare prescription drug plan (PDP)** — A stand-alone drug plan that adds prescription drug coverage to Original Medicare, some Medicare Cost Plans, some Medicare Private Fee-For-Service Plans, and Medicare Medical Savings Account Plans.

### Other related products

**Medicare Supplement (Medigap) Products** — Insurance plans that help pay some of the out-of-pocket costs not paid by Original Medicare Part A and Part B, such as deductibles and coinsurance amounts for Medicare approved services.

**Dental/vision/hearing products** — Plans offering additional benefits for consumers who are looking to cover needs for dental, vision, or hearing. These plans are not affiliated or connected to Medicare.

**Hospital indemnity products** — Plans offering additional benefits; payable to consumers based upon their medical utilization; sometimes used to defray copays/coinsurance. These plans are not affiliated or connected to Medicare.

By completing this form, I agree to the following:
□ I must keep both Hospital (Part A) and Medical (Part B) to stay in UnitedHealthcare. I must keep paying my Part B premium if I have one, unless Medicaid or someone else pays for it.  □ I understand that people with Medicare are generally not covered under Medicare while out of the country, except for limited coverage near the U.S. border. This plan covers emergency and urgent care outside of the U.S. See the Summary of Benefits for more information.  □ I understand that when my UnitedHealthcare coverage begins, I must get all of my medical and prescription drug benefits from UnitedHealthcare. Benefits and services authorized by UnitedHealthcare and contained in my UnitedHealthcare "Evidence of Coverage" document (also known as a member contract or subscriber agreement) will be covered. Neither Medicare nor UnitedHealthcare will pay for benefits or services that are not covered.  □ I understand that I can be enrolled in only one Medicare Advantage (MA) plan at a time – and that enrollment in this plan will automatically end my enrollment in another MA plan (exceptions apply for MA Private-Fee-For-Service (PFFS), MA Medicare Medical Savings Account (MSA) plans).  □ Release of information: By joining this Medicare Advantage Plan, I acknowledge that the plan will share my information with Medicare, who may use it to track my enrollment, to make payments, and for other purposes allowed by Federal law that authorize the collection of this information (see Privacy Act Statement below).  □ I give UnitedHealthcare permission to share my protected health information with organizations or person(s) for permissible purposes under applicable law as required to administer my health plan.  □ I give consent for all entities under UnitedHealthcare and its affiliates and any outside vendor used by UnitedHealthcare to call the phone number(s) I have provided using an autodialer and/or prerecorded voice.

PRIVACY ACT STATEMENT: The Centers for Medicare & Medicaid Services (CMS) collects information from Medicare plans to track beneficiary enrollment in Medicare Advantage (MA) or Prescription Drug Plans (PDP), improve care, and for the payment of Medicare benefits. Sections 1851 and 1860D-1 of the Social Security Act and 42 CFR §§ 422.50, 423.30 and 423.32 authorize the collection of this information. CMS may use, disclose and exchange enrollment data from Medicare beneficiaries as specified in the System of Records Notice (SORN) "Medicare Advantage Prescription Drug (MARx)", System No. 09-70-0588. Your response to this form is voluntary. However, failure to respond may affect enrollment in the plan.

UHC Dual Choice DC-Q001 (PPO D-SNP) is insured through UnitedHealthcare Insurance Company or one of its affiliated companies, a Medicare Advantage organization with a Medicare contract and a contract with the State Medicaid Program. Enrollment in the plan depends on the plan's contract renewal with Medicare.

## **Enrollment checklist**

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a Customer Service Representative at the number listed on the back cover of this book.

#### Understanding the benefits

Review the Formulary to make sure your drugs are covered.

#### **Understanding important rules**

- Benefits may change on January 1 of each year.
- Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services the provider must agree to treat you. Except in an emergency or urgent situation, non-contracted providers may deny care.
- Effect on Current Coverage. If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.
- This plan is a Dual Eligible Special Needs Plan (D-SNP). Your ability to enroll will be based on verification that you are entitled to both Medicare and medical assistance from a state plan under Medicaid.
