B. Background Information about UHC Dual Complete's Network Providers

B1. Key Terms

This section explains key terms in our Directory.

- **Providers** are professionals such as doctors, nurses, pharmacists, therapists, and other people who provide care and services. **Services** include medical care, Long-term Services and Supports (LTSS), supplies, prescription drugs, equipment, and other services.
 - The term **providers** includes facilities such as hospitals, clinics, and other places that provide medical services, and medical equipment. It also includes LTSS providers that you may use as a UHC Dual Complete member.
 - Providers that are a part of our plan's network are called **network providers**.
- **Network providers** have contracted with us to deliver services to members of our plan. Network providers participate in our plan. That means they accept members of our plan and provide services our plan covers. When you use a network provider, you usually pay nothing for covered services.
- **A Primary Care Provider (PCP)** is a healthcare professional who gives you routine health care. Your PCP will keep your medical records and get to know your health needs over time.
- **Specialists** are doctors who provide health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:
 - Oncologists care for patients with cancer.
 - Cardiologists care for patients with heart conditions.
 - Orthopedists care for patients with certain bone, joint, or muscle conditions.
- You will also be assigned a **Care Coordinator** and an **Interdisciplinary Care Team (ICT)**. Everyone on the ICT works together to make sure your care is coordinated. This means that they make sure you get all of the tests, labs, and other care that you need, and the results are shared with the appropriate providers. It also means that your PCP should know all medicines you take so that they can reduce any negative effects. Your PCP will always get your permission before sharing your medical information with other providers. Members of your ICT may include:
 - A **Care Coordinator** that helps you manage your medical providers and services.
 - Your **Primary Care Provider**
 - Your ICT will also help you find other providers of medical, behavioral health, or Long-term Services and Supports (LTSS) if you need a specialist or other health care provider. That way, you will get the right provider to help you with your concerns.

If you have questions, please call UHC Dual Complete Member Services at 1-844-368-5888, TTY 711, 8 a.m.-8 p.m.: 7 Days Oct-Mar; M-F Apr-Sept. The call is free. **For more information**, visit myuhc.com/communityplan.

B2. Wait times for primary care and behavioral health

We must provide you with access to primary care and behavioral health services within the following timeframes:

- immediately for urgent needed services or an emergency;
- within 7 days for services that are not an emergency or urgently needed, but you require medical attention;
- within 30 days for routine and preventative care.

B3. How to choose a Primary Care Provider (PCP)

First, you will need to choose a Primary Care Provider (PCP). You can choose any PCP in our network who is accepting new members.

To choose a PCP, refer to the list of providers in Section C, and choose a provider:

- that you use now, **or**
- who has been recommended by someone you trust, **or**
- whose offices are easy for you to get to. If you do not choose a PCP in our network, UHC Dual Complete will choose one for you.
- If you want help in choosing a PCP, please call Member Services at the number at the bottom of this page, 8 a.m.-8 p.m.: 7 Days Oct-Mar; M-F Apr-Sept. The call is free. Or, visit myuhc.com/communityplan.
- If you have questions about whether any service or care that you want or need is covered, talk to your Care Team or call Member Services at the number at the bottom of this page and ask **before** you get the service or care.

B4. Long-term Services and Supports (LTSS) providers

As a UHC Dual Complete member, you will be able to get Long-term Services and Supports (LTSS) if you need them, such as services provided by the Elderly Waiver (EW) program as a UHC Dual Complete member. LTSS help people who need assistance to do everyday tasks like taking a bath, getting dressed, making food, and taking medicine. Most of these services are provided at your home or in your community but could be provided in a nursing home or hospital. LTSS is available to members who meet certain clinical and financial requirements.

If you need LTSS your Care Coordinator can help you and your Interdisciplinary Care Team (ICT) determine what options are available to support you in the way you want.

If you have questions, please call UHC Dual Complete Member Services at 1-844-368-5888, TTY 711, 8 a.m.-8 p.m.: 7 Days Oct-Mar; M-F Apr-Sept. The call is free. **For more information**, visit myuhc.com/communityplan.

B5. How to Access UHC Dual Complete's network providers

You must get all of your covered services from providers within our network. If you use providers who are not in UHC Dual Complete's network (**without prior authorization**), **you may have to pay the bill.**

Prior Authorization

A **prior authorization** is an approval from UHC Dual Complete to seek services outside of our network or to get services not routinely covered by our network **before** you get the services.

The only exceptions to this rule are when you need urgent or emergency care or dialysis and cannot get to a provider in the plan, such as when you are away from home. You can also go outside the plan for other non-emergency services if UHC Dual Complete gives you permission first.

- You may change providers within the network at any time during the year. If you have been using one network provider, you do not have to keep using that same provider. You may change your PCP for any reason at any time. If you want to change your PCP, call Member Services at 1-844-368-5888, TTY 711, 8 a.m.-8 p.m.: 7 Days Oct-Mar; M-F Apr-Sept. The call is free. The change will become effective on the first day of the following month.
- UHC Dual Complete works with all the providers in our network to accommodate the needs of people with disabilities. As applicable, the list of network providers in this Directory includes information about the accommodations they provide.
- If you need a provider and are not sure if they offer the accommodations you need, UHC Dual Complete can help you. Talk to your Care Coordinator for assistance.

If you have questions, please call UHC Dual Complete Member Services at 1-844-368-5888, TTY 711, 8 a.m.-8 p.m.: 7 Days Oct-Mar; M-F Apr-Sept. The call is free. **For more information**, visit myuhc.com/communityplan.

Cultural Competence Training

Cultural competence training is additional instruction for our health care providers that helps them better understand your background, values, and beliefs to adapt services to meet your social, cultural, and language needs.

Providers are listed in alphabetical order. You can also find the provider's name and the page where the provider's additional contact information is in the Index at the end of the Directory. Individual providers or practitioners are listed in alphabetical order by last name in the Index. In addition to contact information, provider listings also include specialties and skills, such as languages spoken (including American Sign Language (ASL)) or completion of cultural competence training.

Network providers in your area are listed in section C. To find a provider using this directory, turn to the Table of Contents and see where each section begins. Go to the section of the type of provider you are looking for. Once you are in that section, locate the county you live in. Under each county you will find a list of providers in alphabetical order. You can also go online at myuhc.com/communityplan which is updated weekly and is available 24 hours a day, 7 days a week.

There are approximately 612 primary care providers, 905 specialists and 30 hospitals in your network.

The Americans with Disabilities Act (ADA) requires that people with disabilities have equal access to services. We show this in our listings with text as:

D. Background Information about UHC Dual Complete's Network Pharmacies

This Directory lists the pharmacies that you may use to get your prescription drugs. These are referred to as **network pharmacies** in this Directory. These network pharmacies are pharmacies that **participate in and accept** UHC Dual Complete and have agreed to provide prescription drugs to you as a member of the plan.

Please contact UHC Dual Complete Member Services at the number at the bottom of this page or your Care Coordinator for assistance.

We also list pharmacies that are in our network but are outside the service area in which you live. You may also fill your prescriptions at these pharmacies. Please contact UHC Dual Complete at 1-844-368-5888, TTY 711, 8 a.m.-8 p.m.: 7 Days Oct-Mar; M-F Apr-Sept, for additional information. UHC Dual Complete members must use network pharmacies to get prescription drugs except in emergency or urgent care situations.

- If you use an out-of-network pharmacy for prescriptions when it is not an emergency, you will have to pay out of pocket for the service.
- Read the UHC Dual Complete *Member Handbook* for more information.
- This Directory may not list all network pharmacies. We may have added or removed some network pharmacies from our plan after we published this Directory.

For up-to-date information about UHC Dual Complete's network pharmacies in your area, please visit our website at myuhc.com/communityplan or call Member Services at the number at the bottom of this page, 8 a.m.-8 p.m.: 7 Days Oct-Mar; M-F Apr-Sept. The call is free.

To get a complete description of your prescription coverage, including how to fill your prescriptions, please read the *Member Handbook* and UHC Dual Complete's *List of Covered Drugs*. You can find the List of Covered Drugs online at myuhc.com/communityplan or you can call Member Services at 1-844-368-5888, TTY 711, 8 a.m.-8 p.m.: 7 Days Oct-Mar; M-F Apr-Sept.

D1. Types of pharmacies in UHC Dual Complete's network

Along with retail pharmacies, your plan's network of pharmacies includes:

- Mail-order pharmacies send covered prescription drugs to members through the mail or shipping companies.
- Home infusion pharmacies prepare prescription drugs that are given through a vein, within a muscle, or in another non-oral way by a trained provider in your home.
- Long-term care (LTC) pharmacies serve residents of long-term care facilities, such as nursing homes.
- Indian Health Service/Tribal/Urban Indian Health Program (I/T/U) Pharmacies serve Native Americans and Alaska Natives and others under limited circumstances.

You are not required to continue using the same pharmacy to fill your prescriptions.

If you have questions, please call UHC Dual Complete Member Services at 1-844-368-5888, TTY 711, 8 a.m.-8 p.m.: 7 Days Oct-Mar; M-F Apr-Sept. The call is free. **For more information**, visit myuhc.com/communityplan.

D2. Long-term supplies of prescriptions

- **Mail-Order Programs.** We offer a mail-order program that allows you to get up to a 100-day supply of your prescription drugs sent directly to your home. A 100-day supply has the same copay as a one-month supply.
- **100-Day Retail Pharmacy Programs.** Some retail pharmacies may also offer up to a 100-day supply of covered prescription drugs. A 100-day supply has the same copay as a one-month supply.

If you have questions, please call UHC Dual Complete Member Services at 1-844-368-5888, TTY 711, 8 a.m.-8 p.m.: 7 Days Oct-Mar; M-F Apr-Sept. The call is free. **For more information**, visit myuhc.com/communityplan.

Mail Order Pharmacy(ies)
 You can get prescription drugs shipped to your home through our network mail order delivery program which is called OptumRx® home delivery pharmacy. Prescription orders sent directly from your doctor must have your approval before we can send your medications. This includes new prescriptions and prescriptions refills. We will contact you, by phone, to get your approval. If we are unable to reach you for approval, your prescription will not be sent to you.

You also have the choice to sign up for automated mail order delivery through our OptumRx® home delivery pharmacy. Typically, you should expect to get your prescription drugs from 4 to 6 business days from the time that the mail order pharmacy gets the order. If you do not get your prescription drug(s) within this time, or if you would like to cancel an automatic order, or if you need to ask for a refund for prescriptions you got that you did not want or need, contact us at 1-844-368-5890, TTY 711, 8am-8pm: 7 Days Oct-Mar; M-F
