Introducción

Este directorio ofrece una lista de los proveedores de la red del plan. Según su plan, podría recibir ciertos servicios cubiertos de proveedores fuera de la red que aceptan el plan. No necesita una referencia para consultar a proveedores dentro ni fuera de la red a fin de recibir servicios cubiertos. Para obtener información detallada sobre su cobertura de cuidado de la salud, consulte su Evidencia de Cobertura.

¿Qué es un proveedor de cuidado primario?

Un proveedor de cuidado primario (primary care provider, PCP) es el profesional de cuidado de la salud que le proporciona la mayor parte de su cuidado. El término proveedor de cuidado primario se usará en todo este directorio.

Su proveedor de cuidado primario puede ayudarle a:

- Tomar decisiones acertadas sobre su estilo de vida para mejorar y conservar su salud
- Recibir cuidado preventivo y exámenes de salud
- Comprender mejor las condiciones de salud que usted tiene
- Coordinar el cuidado de especialistas para evitar pruebas costosas y duplicadas
- Administrar sus medicamentos con receta para identificar posibles interacciones perjudiciales

Elija un proveedor de cuidado primario

Para asegurarse de recibir el cuidado que necesite, elija uno de los proveedores de nuestra red para que sea su proveedor de cuidado primario (PCP). Sin embargo, usted no está limitado a ese proveedor de cuidado primario para recibir todo su cuidado primario.

Si elige un proveedor de cuidado primario que no está aceptando nuevos pacientes, es posible que le asignemos uno diferente. En este caso, usted puede cambiarse a otro proveedor de cuidado primario que esté aceptando nuevos pacientes.

Su proveedor de cuidado primario cumple un rol importante en el cuidado de su salud y queremos que usted se sienta cómodo con el proveedor que elija. Si desea cambiar de proveedor, llame a Servicio al Cliente al número gratuito **1-800-514-4912**, de 8 a.m. a 8 p.m.: los 7 días de la semana, de octubre a marzo; de lunes a viernes, de abril a septiembre, TTY **711**.

Diferencia entre proveedores dentro y fuera de la red

Los proveedores de la red son proveedores con los que trabaja su plan para proporcionarle cuidado. Si usted usa un proveedor de la red, es posible que los gastos de su bolsillo, que son los que usted paga, sean más bajos. Los proveedores fuera de la red son proveedores con los que actualmente no trabajamos; por lo tanto, los gastos de su bolsillo podrían ser más altos.

Los proveedores de la red que aparecen en este directorio han aceptado prestarle los servicios de su cobertura de cuidado de la salud. Usted puede consultar a un especialista o a otro proveedor de la red sin obtener una referencia. Según su plan, usted podría cumplir los requisitos para recibir ciertos servicios cubiertos de proveedores fuera de la red. Para saber qué servicios podrían estar cubiertos fuera de la red, consulte su Evidencia de Cobertura.

Qué debe hacer si necesita cuidado de urgencia o de emergencia

Una **emergencia médica** ocurre cuando usted, cree que usted tiene síntomas que requieren cuidado médico inmediato para prevenir la muerte o la pérdida de una extremidad o de la función de una extremidad. Los síntomas médicos pueden ser una enfermedad, una lesión, dolor grave o una condición médica que está empeorando rápidamente.

Si usted tiene una emergencia médica, busque ayuda lo antes posible. Llame al 911 o vaya a la sala de emergencias o al hospital que le quede más cerca. Siempre se puede recibir cuidado de emergencia dentro o fuera del área de servicio de parte del proveedor más cercano que esté a su disposición. Los servicios para emergencias también están cubiertos, independientemente de que el proveedor esté dentro o fuera de nuestra red. Usted u otra persona deben llamar para informarnos que usted recibió cuidado de emergencia, por lo general, en un plazo no mayor de 48 horas.

Los **servicios requeridos de urgencia** son aquellos que se prestan para tratar una enfermedad, una lesión o una condición médica imprevista que no es de emergencia, pero que requiere cuidado médico inmediato. Cuando usted esté fuera del área de servicio, puede recibir cuidado de urgencia del primer proveedor a su disposición, independientemente de que el proveedor esté dentro o fuera de nuestra red. Además, cuando esté fuera del área de servicio, puede recibir tratamiento de diálisis de cualquier proveedor de diálisis calificado.

Los proveedores fuera de la red o no contratados no tienen ninguna obligación de tratar a los miembros del plan, excepto en situaciones de emergencia. Llame al número de Servicio al Cliente o consulte su Evidencia de Cobertura para obtener más información, incluso sobre el costo compartido que se aplica a los servicios fuera de la red y sobre qué servicios fuera de la red podrían tener cobertura.

Qué debe hacer si recibe una factura

Puede haber ocasiones en que usted reciba una factura de un proveedor por el costo total del cuidado médico que haya recibido. Si recibe una factura, comuníquese con nosotros. En muchos casos, usted debe enviarnos esta factura en lugar de pagarla. Nosotros la revisaremos y decidiremos si los servicios deberían estar cubiertos. Si decidimos que deberían estar cubiertos, le pagaremos al proveedor directamente. Para obtener más información, consulte su Evidencia de Cobertura.

Qué debe hacer si tiene Medicare y Medicaid

Si es un Beneficiario Calificado de Medicare (Qualified Medicare Beneficiary, QMB), es posible que su médico no le facture los deducibles, copagos ni coseguros por los servicios cubiertos por Medicare, excepto los copagos por medicamentos con receta de la Parte D. Muestre su UCard® de UnitedHealthcare y su tarjeta de ID de miembro de Medicaid emitida por el estado cada vez que consulte al médico o use otros servicios del plan. Así se asegurará de que se le facture la cantidad correcta.

Telesalud (Visitas Virtuales)

La telesalud, también conocida como visitas virtuales, está cubierta por su plan de beneficios. Usted puede acceder a los servicios de telesalud de cualquier proveedor de la red que ofrezca cuidado virtual. Los servicios de telesalud pueden incluir cuidado primario, cuidado de especialistas, fisioterapia, terapia ocupacional, terapia del habla, rehabilitación cardíaca, cuidado

de urgencia o cuidado de la salud del comportamiento. No todos los proveedores de la red ofrecen cuidado virtual y aquellos que lo hacen quizás no lo ofrezcan para todos los servicios indicados. No todas las condiciones médicas se pueden tratar a través de telesalud. Es posible que su proveedor le diga que usted necesita consultar a un médico en persona a fin de recibir tratamiento. Para acceder a sus beneficios de telesalud, pregúntele a su proveedor de la red local si ofrece cuidado virtual o busque el indicador de telesalud que aparece junto al nombre de los proveedores en este directorio.

Cómo acceder a sus beneficios de salud del comportamiento

Para acceder a sus beneficios de salud del comportamiento, llame a Servicio al Cliente al número gratuito que se encuentra en la portada de este directorio de UnitedHealthcare. Cuando llame, un representante verificará si usted cumple los requisitos y le solicitará información básica sobre usted y su situación. Si usted lo prefiere, su proveedor de cuidado primario puede llamar y hacer los arreglos necesarios para darle una referencia. Su información personal se mantendrá estrictamente confidencial.

Servicios para trasplante de órganos

Su plan cuenta con una red de centros que realizan trasplantes de órganos (incluidos de corazón, pulmón, hígado, intestino, riñón, médula ósea y páncreas). Los trasplantes de órganos sólidos se deben realizar en un centro que actualmente esté aprobado por Medicare para realizar su tipo de trasplante específico. La red de hospitales del plan que prestan servicios para trasplantes de órganos es diferente de la red que se encuentra en la sección **Hospitales** de este directorio de proveedores. Algunos hospitales dentro de la red del plan que prestan otros servicios médicos no están dentro de la red del plan de servicios para trasplantes. Es posible que, durante el año, haya cambios en la lista completa de centros aprobados por Medicare que están dentro de la red de su plan. Para obtener información sobre los centros de la red que prestan servicios para trasplantes, llame a Servicio al Cliente al número gratuito **1-800-514-4912**, TTY **711** o consulte la información de los sitios web de proveedores de trasplantes que se encuentra en la sección **Proveedores Nacionales** de este directorio de proveedores.

Proveedores con experiencia en VIH

Los miembros de UHC Dual Complete NY-Q001 (HMO-POS D-SNP)
UHC Dual Complete NY-S002 (HMO-POS D-SNP) pueden visitar un centro o a un proveedor con experiencia en el virus de inmunodeficiencia humana (VIH). Los proveedores con experiencia en VIH pueden ser un doctor en medicina, una enfermera especialista o, para algunas mujeres, un obstetra o ginecólogo (obstetrician-gynecologist, OB-GYN). Estos proveedores con experiencia en VIH le ayudarán a buscar los medicamentos para este virus que sean los mejores para usted, recetarán terapia antirretroviral (antiretroviral therapy, ART) y supervisarán su progreso. Para buscar un centro o proveedor con experiencia en VIH, consulte la sección Especialidades en la contraportada del directorio o busque en Internet en myuhc.com/communityplan.

Tiempos de espera para recibir cuidado primario y salud del comportamiento

UnitedHealthcare debe ofrecerle acceso a servicios de salud del comportamiento y para el cuidado primario dentro de los siguientes plazos:

- Inmediatamente si se trata de servicios requeridos de urgencia o en una situación de emergencia.

- En un plazo no mayor de siete (7) días si se trata de servicios que no son requeridos de urgencia ni en una situación de emergencia, pero usted requiere atención inmediata.
- En un plazo no mayor de treinta (30) días si se trata de cuidado preventivo y de rutina.
