You can appoint an authorized representative to help with many aspects of your waiver service planning and delivery. Specifically, you and your authorized representative, if you choose to appoint one, are responsible for:

- Communicating openly and honestly with your care team.

Waiver Person-Centered Service Plan Development

Service planning and care coordination help to address changes you may encounter with your personal circumstances and/or medical conditions over time. The service planning process must be tailored and revised as often as necessary to best address your needs.

The person-centered service plan is a written outline of your Waiver services necessary to keep you safely in the community. It identifies goals, objectives, and outcomes related to your health, as well as the treatments and services you receive.

If you have questions, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236 (TTY 711)**, 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day, 7 days a week). The call is free. **For more information**, visit **UHCCommunityPlan.com** or other digital option. A waiver services coordinator or a care manager can be contacted at any time at **1-800-542-8630 (TTY 711)**.

As a member enrolled in the MyCare Ohio Waiver, you have choice and control over the provision of Waiver services you receive by actively participating in the service planning process. You decide who should participate in the service planning process.

Your Waiver Service Coordinator is responsible for ensuring all of your identified needs are included and addressed in your person-centered service plan. That includes helping you explore all services available to meet your specific needs. You will have the opportunity to identify how you want the services noted at the introduction of this handbook to be delivered, including finding the setting that best meets your needs.

The Waiver service coordinator will also help you decide what types of providers you want rendering your services, based on how involved you want to be in managing their services. The MyCare Ohio Waiver has the following available providers:

- Self-directed: You hire and manage the provider or the service budget.
- Provider-managed: An agency provider identifies and manages staff.
- Non-agency: Independent providers who manage themselves.

All providers must be enrolled with ODM and contracted with your MyCare plan. If you find a provider who is not enrolled or contracted, the MyCare plan can assist the provider with the enrollment and contracting process.

You and the service providers identified on your person-centered service plan must sign the service plan, or other document requested by your care manager or waiver service coordinator, to indicate agreement with the plan.

After your plan is developed and approved, your waiver service coordinator will continue to help by arranging the start of services and making sure services are delivered to meet your needs, according to the plan.

Person-Centered Service Plan Contents

During the service planning process, you will identify all the services and supports you receive from any sources other than the MyCare Ohio Waiver that help meet your needs so they can be considered in the development of the plan.

Service planning includes identifying and arranging for Waiver services that support, but do not replace help from people such as neighbors, friends, family, etc. Person-centered service plans are updated at least once each year or as your needs change.

Your person-centered service plan documents how your needs will be met and where you choose to receive services. It must address all of the following:

- Your medical, behavioral health, and personal care needs and how those will be met.

If you have questions, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236 (TTY 711)**, 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day, 7 days a week). The call is free. **For more information**, visit **UHCCommunityPlan.com** or other digital option. A waiver services coordinator or a care manager can be contacted at any time at **1-800-542-8630 (TTY 711)**.

- Services that may be needed to keep your environment clean and safe, including any adaptations necessary to meet your needs.
- Services that may be needed to help you maintain participation in school, work, or other activities.
- Strengths, goals and desired outcomes.
- Services or safety measures to mitigate any risks for you, including accommodations or modifications needed in the setting where you receive services.
- Medical and personal care supplies you need, and how you will receive those, including medications and equipment.
- Back-up plan for when a paid provider is unavailable for services.

Your person-centered service plan identifies the specific tasks and activities your service provider(s) will deliver to meet your needs. It will also specify how much, how often, and how long you will receive the services.

The person-centered service plan is necessary for your service providers to be paid and to help your Waiver Service Coordinator ensure that you are getting the services you need.

Waiver Service Coordination

All members enrolled with UnitedHealthcare Connected for MyCare Ohio in the MyCare Ohio Waiver will receive assistance with coordinating their waiver services.

One of the roles of the Waiver service coordinator is to make sure you receive the waiver services you need. You will be contacted by either your Waiver Services Coordinator or Care Manager, and receive an in-person visit to review your care needs no more than 75 days after you are enrolled in the MyCare Ohio Waiver, or sooner upon request, and at least every six months as agreed upon in your person-centered service plan.

Waiver service coordination includes, but is not limited to, the following:

- Monitoring your health and welfare
- Assessing your needs, goals, and objectives at least annually.
- Scheduling, coordinating and facilitating meetings with you and your care team
- Authorizing Waiver services in the amount, scope, and duration to meet your needs
- Working with you and your care team to develop your person-centered service plan.
- Monitoring the delivery of all Waiver services identified in your person-centered service plan

If you have questions, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236 (TTY 711)**, 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day, 7 days a week). The call is free. **For more information**, visit **UHCCommunityPlan.com** or other digital option. A waiver services coordinator or a care manager can be contacted at any time at **1-800-542-8630 (TTY 711)**.

-
- Ensuring adjustments are made as appropriate in the event you encounter significant changes, including but not limited to, life milestones like entering/exiting school, work, etc.

 - Assisting you in finding needed service providers, including when a provider has given notice to leave or becomes unavailable.
 - Assisting you in the development of a meaningful backup plan if there is an interruption or delay in services provided by your person-centered plan. This may include identifying persons who are able to meet your needs and respond quickly if your regular provider is unable to deliver services.

Your person-centered service plan identifies the specific tasks and activities your service provider (s) will deliver to meet your needs. It will also specify how much, how often, and how long you will receive the services. The person-centered service plan is necessary for your service providers to be paid and to help your Waiver service coordinator ensure you are getting the services you need.

Transition Period — Transition to the MyCare Ohio Waiver

If you were enrolled on PASSPORT, Assisted Living, or Ohio Home Care Medicaid Waiver immediately prior to enrolling on the MyCare Ohio Waiver, the MyCare plan will continue your services to minimize service disruptions.

Your existing services and providers will be maintained for a period of time, depending upon the type of service. Your services and service providers will remain in place except in the following situations:

1. You request a change;
2. There is a significant change in your health, your condition, or your needs;
3. Your provider gives notice of their intent to discontinue services;
4. Issues are identified that affect your health and welfare.

So long as none of the above exceptions apply, your existing service levels and providers will be maintained while you are enrolled on the MyCare Ohio Waiver as follows:

Direct Care services:

Personal care, Waiver Nursing, Home Care Attendant, Choices Home Care Attendant, Out-of-Home Respite, Enhanced Community Living, Adult Day Health Services, Social Work Counseling, Community Integration.

If you were receiving any of these direct care services, you can continue to receive these services at the same authorized level and with the same service provider(s) for at least 365 days from the date you enrolled in the MyCare Ohio Waiver.

Assisted Living services:

If you were receiving Assisted Living service, you can continue to receive the same authorized service from the same provider while you are enrolled in the MyCare Ohio Waiver.

If you have questions, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236 (TTY 711)**, 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day, 7 days a week). The call is free. **For more information**, visit **UHCCommunityPlan.com** or other digital option. A waiver services coordinator or a care manager can be contacted at any time at **1-800-542-8630 (TTY 711)**.

Self-directed services:

If you were already self-directing your services through a Medicaid Waiver, you may keep your current provider for at least 365 days with the same service amount at the same rate, unless your Waiver service coordinator determines:

- You no longer need these services
- You and your authorized representative can no longer be the employer.
- You no longer have an authorized representative, if needed.

All other Waiver services:

For all other Waiver services that you were receiving while enrolled on one of the Medicaid waivers immediately prior to enrolling on the MyCare Ohio Waiver, those services can be maintained at the same authorized level for at least 365 days after enrollment in the MyCare Ohio Waiver. The same service provider(s) can be maintained for at least 90 days.

End of Transition Period:

Before any services or providers are changed, your waiver service coordinator will meet with you to review your person-centered service plan and discuss any needed changes. If a change in provider is required for any reason, you will be provided with information regarding other available providers.

Transitions from the MyCare Ohio Waiver:

Similar to when you begin services with the MyCare Ohio Waiver, your Waiver service coordinator and care manager will work with you to safely transition your services if you leave the MyCare Ohio Waiver. At any point, if you are disenrolled from MyCare for reasons such as moving out of a My Care county or losing Medicare eligibility, your MyCare Waiver service coordinator will work with your new Waiver entity to ensure a smooth transition, allowing you to continue to receive necessary care and remain independent in your community.

Self-Directed Opportunities

If you have a need for certain Waiver services, as determined by your Waiver service coordinator and Care Team, you, or your authorized representative, may have the option to self-direct some of your services.

Self-directing services includes assuming **Employer Authority and/or Budget Authority**.

If you have questions, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236 (TTY 711)**, 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day, 7 days a week). The call is free. **For more information**, visit **UHCCommunityPlan.com** or other digital option. A waiver services coordinator or a care manager can be contacted at any time at **1-800-542-8630 (TTY 711)**.

Employer Authority means you will assume responsibilities of being your provider's employer. You will be responsible to recruit, hire, train, direct, and even terminate that provider, if necessary. The option to have Employer Authority may only be available if your Waiver Service Coordinator, Care Manager, and Care Team determined that you need either of the following services:

- Personal Care service; or
- Choices Home Care Attendant service

Budget Authority means you will assume responsibility for establishing a rate of pay and scheduling when services are provided within certain parameters. The option to have Budget Authority may only be available if your Waiver Service Coordinator, Care Manager, and Care Team determined you need any of the following services:

- Choices home care Attendant service
- Alternative meals service
- Home maintenance and chore service
- Home modification
- Home medical equipment and supplemental adaptive and assistive devices service

Employer Responsibilities:

Before you can self-direct your care, your ability and willingness to learn about the expectations of an employer must first be considered. When you chose to exercise employer authority you must utilize the MyCare Ohio Financial Management Services (FMS) vendor who will be processing payroll for your provider. In addition, you must establish an eMail account so you can access and use the on-line FMS vendor's timesheet approval system. If you are unable to establish an eMail account of your own, you may appoint a trusted friend or family member as your authorized representative to help you set up an account and approve timesheets (however, this may not be your employee).

How to Request Self-Direction of Your Services:

If you believe self-directing services is right for you, tell your Waiver Service Coordinator or Care Manager.

If you have questions, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236 (TTY 711)**, 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day, 7 days a week). The call is free. **For more information**, visit **UHCCommunityPlan.com** or other digital option. A waiver services coordinator or a care manager can be contacted at any time at **1-800-542-8630 (TTY 711)**.
