It is for people age 65 and older with Medicare and MassHealth Standard coverage, and no other comprehensive health insurance. A Senior Care Options Plan is an organization made up of doctors, hospitals, pharmacies, providers of Long-term Services and Supports (LTSS), and other providers. You may also get other benefits the same way you do now, directly from a State Agency like the Department of Mental Health or the Department of Developmental Services.</p> <p>When you enroll in UHC Senior Care Options, you and your care team will work together to develop an Individualized Plan of Care to address your health and support needs, reflecting your personal preferences and goals.</p>
