

Behavioral health resources and care, in one place

With our member website, you and your family can find available behavioral health support services more easily. Connect to the care and information you need, when you need it at myuhc.com/communityplan.

Find the right care for you

Using the provider search tool, you can:

- Locate therapists, psychiatrists or other behavioral health clinicians and facilities near you
- Narrow your search by provider name, location, area of expertise and more
- Schedule an in-person or virtual appointment with the provider you select

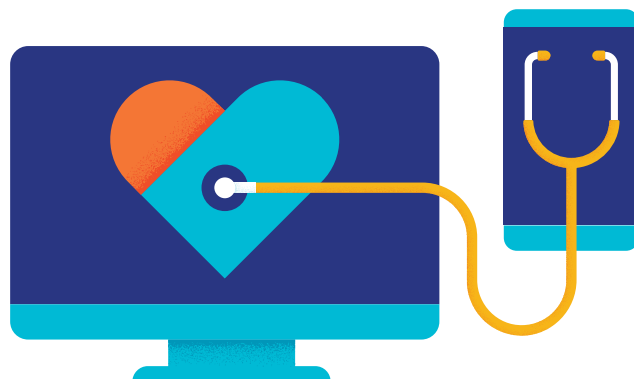

Tap into behavioral health support

See which benefits and programs you may be eligible for. Visit your personalized emotional support page to explore the resources and tools that may help you with the ins and outs of everyday life – even if you don't have any concerns right now.
