Earn special rewards for achieving healthy goals

Did you know you can earn rewards like gift cards, jigsaw puzzles or a throw blanket just for completing healthy to-dos? Complete any of the following goals to earn an exciting reward of your choosing:

-  **Chat with us on the phone or agree to a visit** – Our team will be reaching out during your first 30 days as a member to complete a health survey. This survey lets us learn more about your lifestyle and well-being so we can connect you with the benefits and services available to you. You can also contact Member Services and set up an in-person health survey.
-  **Meet with your Care Coordinator** – Schedule a meeting with your Care Coordinator to talk about your health, set goals and ask questions.
-  **Reach a major goal** – Our team supports big changes. Your Care Coordinator can track a major goal related to transitions, like moving from an assisted living home back into the community.
-  **Follow up after a behavioral health hospital stay** – If you stay overnight in the hospital for a behavioral health stay, you can earn a reward by attending a follow-up visit with your provider.
-  **Participate in HERO Council** – Become a member of our Health, Empowerment, Resources and Opportunities (HERO) Council and share your thoughts during a meeting.
-  **Quit using tobacco products** – Let your Care Coordinator know you are tobacco-free.
