

The Arizona Health Care Cost Containment System (AHCCCS) and Maricopa County Community College District are offering two new scholarships for students who are interested in a career in behavioral health or home and community-based services (HCBS).

Who can apply for the scholarships?

Even if you already work in a healthcare setting, you may still be able to take advantage of this opportunity. The scholarships are available to students, healthcare workers, and AHCCCS members who:

- Are studying for a healthcare certificate or degree in an eligible program or course at any Maricopa Community College
- Agree to work, or continue working, in a behavioral health or HCBS setting after completing their academic program.
