## Your ideas are important

We get great ideas from people in our communities. That's why we're inviting you to join our **UnitedHealthcare Connected® for One Care (Medicare-Medicaid Plan) Consumer Advisory Council**.

The diverse council is made up of enrollees, family members and other caregivers. This council helps us understand how we're doing, and what we could do better. It gives us a chance to hear what you think about topics like:

- Benefits and programs
- The best way to provide services
- Our network of doctors, hospitals, and other providers
- How we can better support you

**Plus, receive a \$25 gift card as a thank you.**
