Description of Hospital Listings

This chart will help you understand each hospital's listing	
Listing	Example
Hospital Name	GoodCare Hospital
Hospital Phone Number	222-123-4567
Hospital Address	627 South Wellness Street Health Valley, AZ 54321
Accreditation	Accredited By: The Joint Commission (Accredited)

Accreditation shows that the hospital has been evaluated by experts in hospital care. An accredited hospital must participate in ongoing reviews to make sure that its operations are up to the latest standards. Please see below for the possible rankings.

The Joint Commission is one entity that accredits hospitals. The following ratings are possible:

- **Accredited:** The hospital was in compliance with all standards when surveyed or within 90 days of the survey.
- **Preliminary Accreditation:** The hospital passed a brief review of its compliance with the Joint Commission's standards and will be surveyed more fully shortly.
- **Conditional Accreditation:** The hospital complies with some, but not all, of the Joint Commission's standards, but will be surveyed more fully shortly.
- **Provisional Accreditation:** The hospital was not able to address all of the requirements for improvement that the first survey suggested within 45 days, or the hospital failed to show that it has been able to sustain compliance.

Accreditation can also be granted by the American Osteopathic Association (AOA), in which case the listing will read, "Accreditation: AOA (Accredited)."

All of the information in these provider listings is based upon the provider's application. UnitedHealthcare checks this information when these providers join our network and every three years (or sooner) when the provider is re-credentialed.

Descripción de la lista de hospitales

Este cuadro le ayudará a comprender la lista de cada hospital	
Listado	Ejemplo
Nombre del hospital	GoodCare Hospital
Número de teléfono del hospital	222-123-4567
Dirección del hospital	627 South Wellness Street Health Valley, AZ 54321
Acreditación	Acreditado por: La Comisión Conjunta (acreditada)

La acreditación muestra que el hospital fue evaluado por expertos en atención hospitalaria. Un hospital acreditado debe participar en los estudios continuos para asegurar que sus operaciones cumplen con las normas más recientes. Revise las calificaciones posibles a continuación.

La Comisión Conjunta es una entidad que acredita a los hospitales. Las siguientes calificaciones son posibles:

- **Acreditado:** El hospital estaba cumpliendo con todas las normas al momento de la revisión o dentro de un lapso de 90 días de la misma.
- **Acreditación preliminar:** El hospital aprobó un breve estudio de su cumplimiento de acuerdo con las normas de la Comisión Conjunta, y será revisado de manera más completa a la brevedad.
- **Acreditación condicional:** El hospital cumple con algunas de las normas, pero no todas, de la Comisión Conjunta, pero será revisado de manera más completa a la brevedad.
- **Acreditación provisional:** El hospital no pudo cumplir con todos los requisitos para mejorar sugeridos en la primera revisión dentro de un lapso de 45 días, o el hospital no pudo demostrar que fue capaz de mantener el cumplimiento.

La acreditación también puede ser otorgada por la Asociación Americana de Osteopatía (American Osteopathic Association, AOA), en cuyo caso en el listado se leerá: "Acreditación: AOA (acreditado)".

Toda la información que se encuentra en estas listas de proveedores depende de la solicitud de los proveedores. UnitedHealthcare verifica esta información en el momento en que los proveedores se unen a nuestra red y cada tres años (o menos) cuando el proveedor vuelve a ser acreditado.
