# About this Directory

The information in this directory is for CHP+ Members. It lists PCPs, specialists, health care professionals, and other providers who work with RMHP to provide services to our Members. This directory is current as of the date printed on the cover. Every effort has been made to obtain and print the correct information. However, the directory is subject to change at any time, as we add providers on an ongoing basis. We may also add providers on a periodic basis and will provide you with a listing of newly added doctors in your local area if you request it. RMHP does not use quality measures, Member experience measures, or cost-related measures to select practitioners or facilities. In establishing and maintaining our network of providers, Rocky Mountain HMO (RMHMO) endeavors to provide care within a reasonable travel time and distance to Members. To achieve this, RMHP contracts with most available acute care hospitals, PCPs, specialists and sub-specialists who meet RMHMO's credentialing and quality standards within the service area. RMHP is not responsible for errors or omissions. Please contact Member Services or use our Online Provider Directory at **UHCCommunityPlan.com** for the most updated information.

Being enrolled in an RMHP plan underwritten by RMHMO does not guarantee services by a particular provider on this list. Call the provider's office first and ask if he or she is accepting new RMHP Members. This information is only a summary of the way you get benefits through RMHP. This is not a contract.

## How to find a provider

You can find a provider using this directory. You can also use our Online Provider Directory. It will have the most current provider network information. Visit **UHCCommunityPlan.com**, then select **Find a Provider**. Choose **Child Health Plan Plus** and search for a provider. You can also contact Member Services.

## Reporting incorrect information

To report incorrect information, email **provider\_directory\_invalid\_issues@uhc.com**.

This email is for members to report potential inaccuracies for demographic (address, phone, etc.) data elements identified on the online or paper directories. Reporting issues via this email will result in an outreach to the provider's office to verify all directory demographic data.

Individuals can also report potential inaccuracies via phone. UnitedHealthcare Community Plan members should call the number on the back of their member ID card. Non-UnitedHealthcare Community Plan members can call **1-888-638-6613**.

Providers should go to **UHCprovider.com/portal** to use the My Practice Profile tool in the UnitedHealthcare Provider Portal under the Practice Management drop-down. Contractual issues should be addressed through your UnitedHealthcare Network contact at **UHCprovider.com/contactus**.

# Using your CHP+ Plan

RMHP a UnitedHealthcare company, knows preventive care is key to managing your health. We encourage all RMHP Members to select a PCP to manage your care. Your PCP is your medical home. Having this medical home can help you get healthy, stay healthy, and get the care you need when you are sick. When choosing a PCP, use these helpful guidelines:

- Each covered member of your family may pick a different PCP
- If you are new to the PCP you pick, call the doctor to be sure he or she is accepting new RMHP patients
- Unless noted, all providers have regular office hours (M–F, 8 a.m.–5 p.m.) and accept new patients. All providers are proficient in English unless otherwise noted.

If you want to change your PCP, go to the secure member website ([myuhc.com/communityplan](https://myuhc.com/communityplan)) and follow the steps for picking a new PCP. You can also call Member Services if you need help selecting or changing your PCP. You can change your PCP at any time. Be sure and have your medical records sent to your new provider.

## Specialty care rules

You may receive covered specialty care from any network provider that accepts RMHP CHP+ Members. To be covered, services must usually be provided by a network provider, except in instances of urgent care services outside the RMHP service area and medical emergencies.

## Behavioral health care

RMHP covers mental and behavioral health services under this plan. You do not need a referral (approval in advance) from your Primary Care Provider (PCP) to get mental or behavioral health services from a specialist, hospital, or other provider that is in RMHP's network. Your mental health service provider may need to get approval in advance from RMHP for some services.

## Crisis help

Crisis help is available at no cost to you 24 hours a day. If you're dealing with an emotional issue, having family or relationship problems, or struggling at work or school, free, confidential support is only a phone call away. Call 1-844-493-TALK (8255), or text TALK to 38255.

## Payment for services

All Members are responsible for paying any applicable copays directly to the provider at the time of service. RMHP will send you an Explanation of Benefits that shows the service you received, the amount billed, the portion of the bill RMHP paid, and what you may pay to the provider.

You might have to pay for services if:

- You receive non-emergency care from an out-of-network provider and the service is not authorized
- You receive any non-covered service
- You receive services (for example, certain surgeries) without an authorization from RMHP
- You receive services when you are not covered by RMHP CHP+

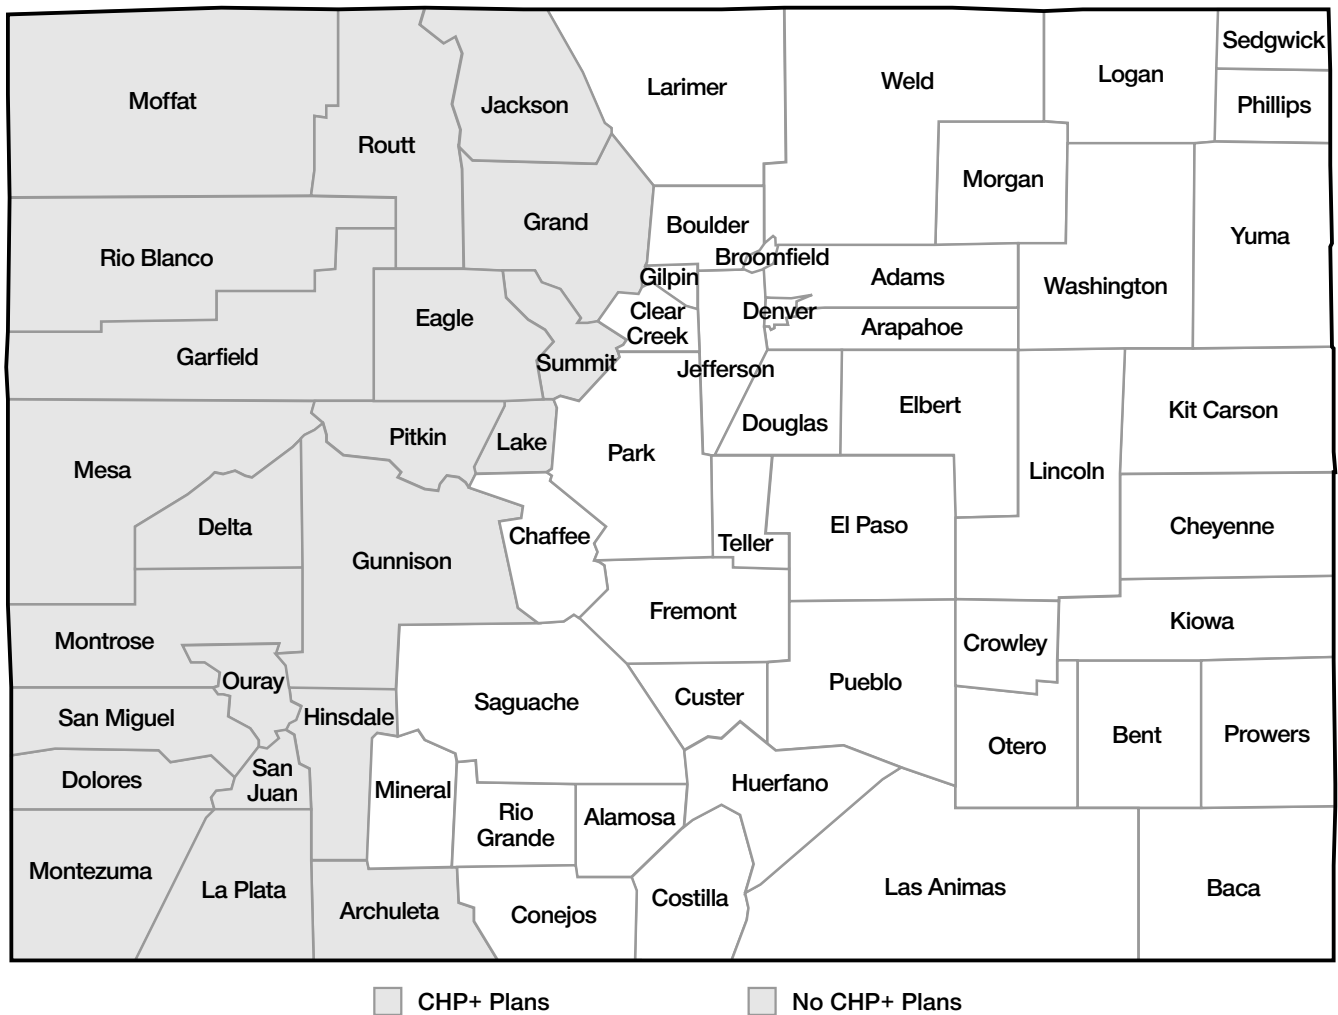

Please refer to your Member ID Card or CHP+ Member Handbook to determine copay amounts applicable to your plan.

### About prior authorization

Some health care services must be approved before you receive them. This is called **prior authorization**. If the service you need is covered by your plan but cannot be provided by a network provider, you may receive prior authorization to see a non-network provider. Your PCP will work with us to get your care approved and arranged. Prior authorization is also required for certain services from a network provider. Network providers are responsible for obtaining any required prior authorization. See your CHP+ Member Handbook for details. You must have approval from us **before** receiving care from a non-network provider or you will have to pay for the care yourself, except for urgent care services outside the RMHP service area and medical emergencies.

## Acerca de este Directorio

La información en este Directorio es para Miembros de CHP+. Enumera los proveedores de cuidado primario, especialistas, profesionales de cuidado de la salud y otros proveedores que trabajan con RMHP para proporcionar servicios a nuestros Miembros. Este Directorio está actualizado a la fecha impresa en la portada. Se ha hecho todo lo posible para obtener e imprimir la información correcta. Sin embargo, el Directorio está sujeto a cambios en cualquier momento, dado que agregamos proveedores en forma continua. También podemos agregar proveedores en forma periódica y le proporcionaremos una lista de médicos recién incorporados en su área si lo solicita. RMHP no utiliza medidas de calidad, medidas de experiencia de los Miembros ni medidas relacionadas con costos para seleccionar profesionales o centros. Al establecer y mantener nuestra red de proveedores, Rocky Mountain HMO (RMHMO) se esfuerza por proporcionar cuidado dentro de un tiempo y distancia de viaje razonables para los Miembros. Para lograrlo, RMHP tiene contratos con la mayoría de los hospitales para el cuidado de casos agudos, proveedores de cuidado primario, especialistas y subespecialistas disponibles que cumplen los estándares de acreditación y calidad de RMHMO dentro del área de servicio. RMHP no es responsable de errores ni omisiones. Comuníquese con Servicios para Miembros o use nuestro Directorio de Proveedores en Internet en **UHCCommunityPlan.com** para obtener la información más actualizada.

Estar inscrito en un plan de RMHP asegurado por RMHMO no garantiza servicios de un proveedor en particular de esta lista. Llame al consultorio del proveedor primero y pregunte si está aceptando nuevos Miembros de RMHP. Esta información es solo un resumen de la forma en que recibe beneficios a través de RMHP. Esto no es un contrato.

Informar problemas a través de este correo electrónico resultará en un acercamiento a la oficina del proveedor para verificar todos los datos demográficos del directorio.

Las personas también pueden informar posibles inexactitudes por teléfono. Los problemas contractuales deben abordarse a través de su contacto de UnitedHealthcare Network en **UHCprovider.com/contactus**.

## Cómo usar su Plan CHP+

RMHP una compañía de UnitedHealthcare, sabe que el cuidado preventivo es clave para manejar su salud. Recomendamos a todos los Miembros de RMHP que seleccionen un proveedor de cuidado primario para manejar su cuidado. Su proveedor de cuidado primario es su hogar médico. Tener este hogar médico puede ayudarle a estar saludable, mantenerse sano y recibir el cuidado que necesita cuando está enfermo. Al elegir un proveedor de cuidado primario, utilice estas pautas útiles:

- Cada miembro cubierto de su familia puede elegir un proveedor de cuidado primario distinto
- Si usted es nuevo para el proveedor de cuidado primario que elige, llame al médico para asegurarse de que esté aceptando nuevos pacientes de RMHP
- A menos que este anotado, todos los proveedores tienen horas de oficina normales (M–F, 8 a.m.–5 p.m.) y aceptan pacientes nuevos. Todos los proveedores son expertos en inglés a menos que se indique lo contrario.

Si desea cambiar de proveedor de cuidado primario, visite el sitio web seguro para miembros (**myuhc.com/communityplan**) y siga los pasos para elegir un nuevo proveedor de cuidado primario. También puede llamar a Servicio al Cliente si necesita ayuda para cambiar de proveedor de cuidado primario o elegir uno. Puede cambiar de proveedor de cuidado primario en cualquier momento. Asegúrese de pedir que se envíen sus registros médicos a su nuevo proveedor.

### Normas de cuidado especializado

Usted puede recibir cuidado especializado cubierto de cualquier proveedor de la red que acepte Miembros de CHP+ de RMHP. Para estar cubiertos, los servicios generalmente deben ser proporcionados por un proveedor de la red, excepto en casos de servicios de cuidado de urgencia fuera del área de servicio de RMHP y emergencias médicas.

## **Cuidado de salud del comportamiento**

En este plan, RMHP cubre servicios de salud mental y del comportamiento. Usted no necesita una referencia (aprobación anticipada) de su Proveedor de Cuidado Primario para obtener servicios de salud mental o del comportamiento de un especialista, hospital u otro proveedor que esté en la red de RMHP. Su proveedor de servicios de salud mental puede necesitar obtener aprobación anticipada de RMHP para algunos servicios.

## **Ayuda para crisis**

Hay ayuda disponible en caso de crisis, sin costo para usted, las 24 horas del día. Si está lidiando con un problema emocional, tiene problemas familiares o de pareja, o tiene dificultades en el trabajo o en la escuela, puede recibir apoyo confidencial y gratuito con solo llamar por teléfono. Llame al 1-844-493-TALK (8255) o envíe TALK por mensaje de texto al 38255.

## **Pago de servicios**

Todos los Miembros son responsables de pagar cualquier copago aplicable directamente al proveedor en el momento del servicio. RMHP le enviará una Explicación de Beneficios que indica el servicio que usted recibió, la cantidad facturada, la parte de la factura que pagó RMHP y lo que usted podría tener que pagar al proveedor.

Quizás tenga que pagar servicios si:

- Recibe cuidado que no es de emergencia de un proveedor fuera de la red, y el servicio no está autorizado
- Recibe un servicio no cubierto
- Recibe servicios (por ejemplo, determinadas cirugías) sin autorización de RMHP
- Recibe servicios sin tener cobertura de CHP+ de RMHP

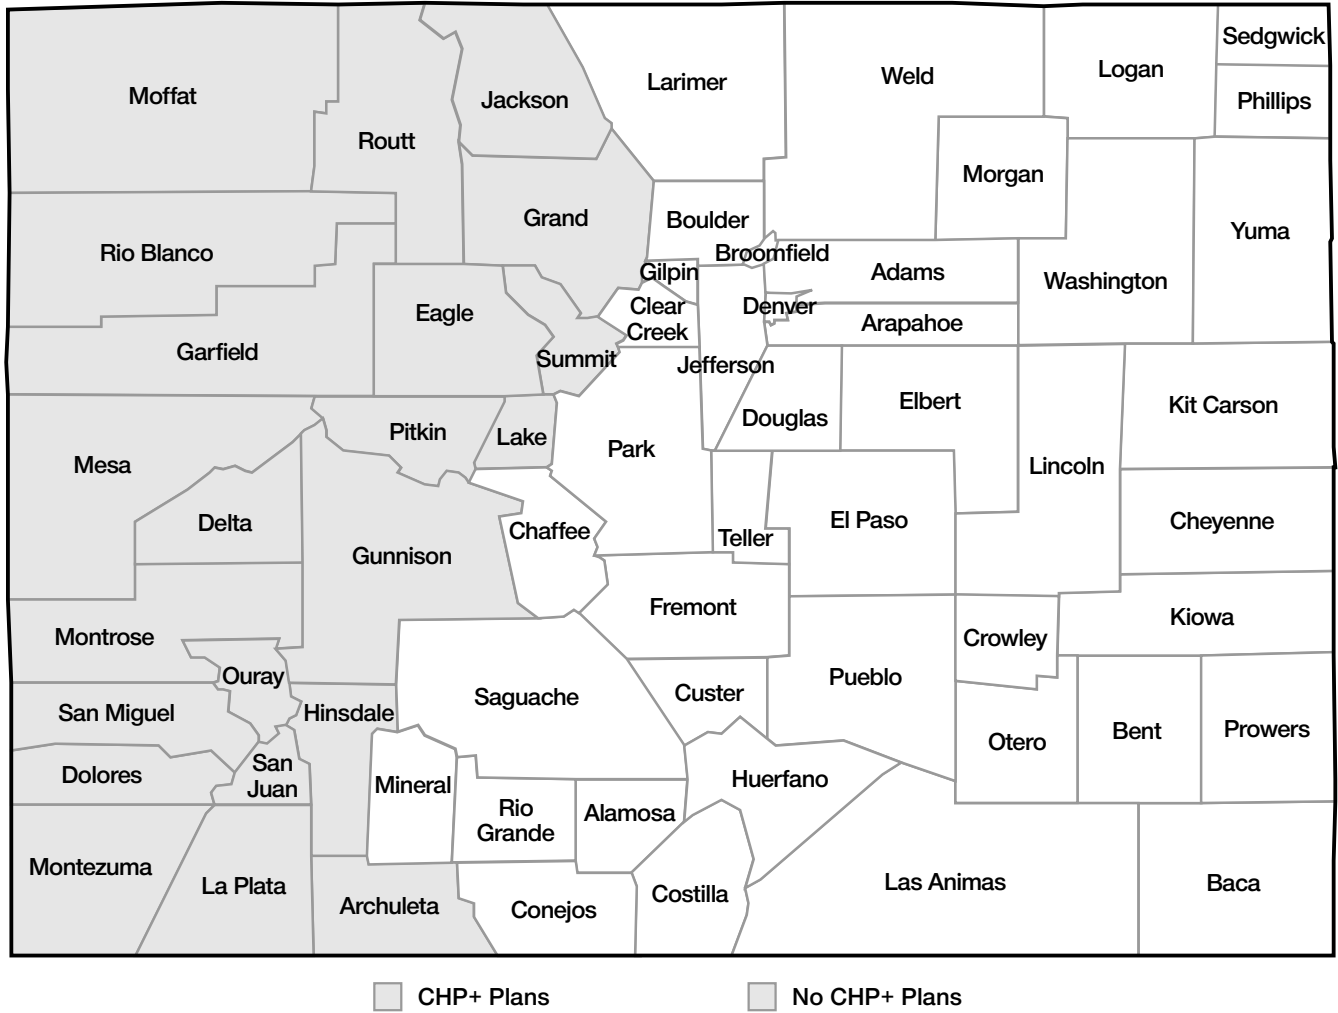

Consulte su tarjeta de ID de miembro o la Guía para Miembros de CHP+ para determinar los copagos correspondientes a su plan.

## **Acerca de la preautorización**

Algunos servicios de cuidado de la salud deben estar aprobados antes de que usted los reciba. Esto se llama **preautorización**. Si el servicio que necesita está cubierto por su plan, pero no puede ser proporcionado por un proveedor de la red, usted puede recibir preautorización para consultar a un proveedor fuera de la red. Su proveedor de cuidado primario trabajará con nosotros para obtener la aprobación de su cuidado y coordinarlo. También se requiere preautorización para determinados servicios de un proveedor de la red. Los proveedores de la red son responsables de obtener cualquier preautorización requerida. Consulte su Guía para Miembros de CHP+ para obtener más información. Debe tener nuestra aprobación antes de recibir cuidado de un proveedor fuera de la red; de lo contrario, tendrá que pagar el cuidado de su bolsillo, excepto los servicios para el cuidado de urgencia fuera del área de servicio de RMHP y las emergencias médicas.
