About this Directory

The information in this directory is for Health First Colorado Members who belong to NHP's regional organization. It lists behavioral health providers who work with NHP*. It also gives important information that helps you better understand how you can get health care services. In addition to the providers listed in this directory, Health First Colorado Members can get services from participating Health First Colorado physical health and dental care providers through DentaQuest. Some transportation services are also available. Call Member Services if you need help finding a health care provider or services you need.

In this directory, unless noted, all providers accept new patients.

Being enrolled in NHP's regional organization does not mean you will be sure to get services by a certain provider on this list. Call the provider's office first and ask if he or she is taking new Health First Colorado Members. This information is only a summary of the way you get benefits through NHP. This is not a contract.

How to find a provider

You can find a BH provider using this directory. You can also use our Online Provider Directory. It will have the most current provider network information. Visit UHCCommunityPlan.com, then select Find a Provider. Choose Medicaid Regional Organization - RAE Region 1 & 2, select your location, and search for a provider.

You can find a primary care provider using NHP primary care directory at https://nhprae2.org/nhpdirectorypcmp/.

* NHP works to maintain and print correct information, but the information can change at any time. We add providers to this list at different times. NHP is not responsible for incorrect information or names left out of this directory. The information in this directory is accurate as of the date printed on the cover.

How to get care

There are different options to get the care you need based on your situation.

Unless noted, all providers have regular office hours (M–F, 8 a.m.–5 p.m.) and accept new patients. All providers are proficient in English unless otherwise noted.

Behavioral health care

Behavioral health is an important part of your overall health. If you have changes in your mood or behavior, or if your alcohol or drug use is impacting your life, you may want to talk to a provider. NHP can help you understand your behavioral health benefits and find a provider that can help you. Call Member Services at **1-800-541-6870** for help with mental health services or services to treat a substance use disorder.

Crisis help

If you're struggling or someone you love is hurting and you need to get help right away, call or text 988 or Colorado Crisis Services at 1-844-493-TALK (8255) or text TALK to 38255. Coloradans can get free, confidential, and immediate help 24 hours a day, seven (7) days a week, 365 days a year from 988 or Colorado Crisis Services. You can also get online support at **988Colorado.com**.

Urgent care

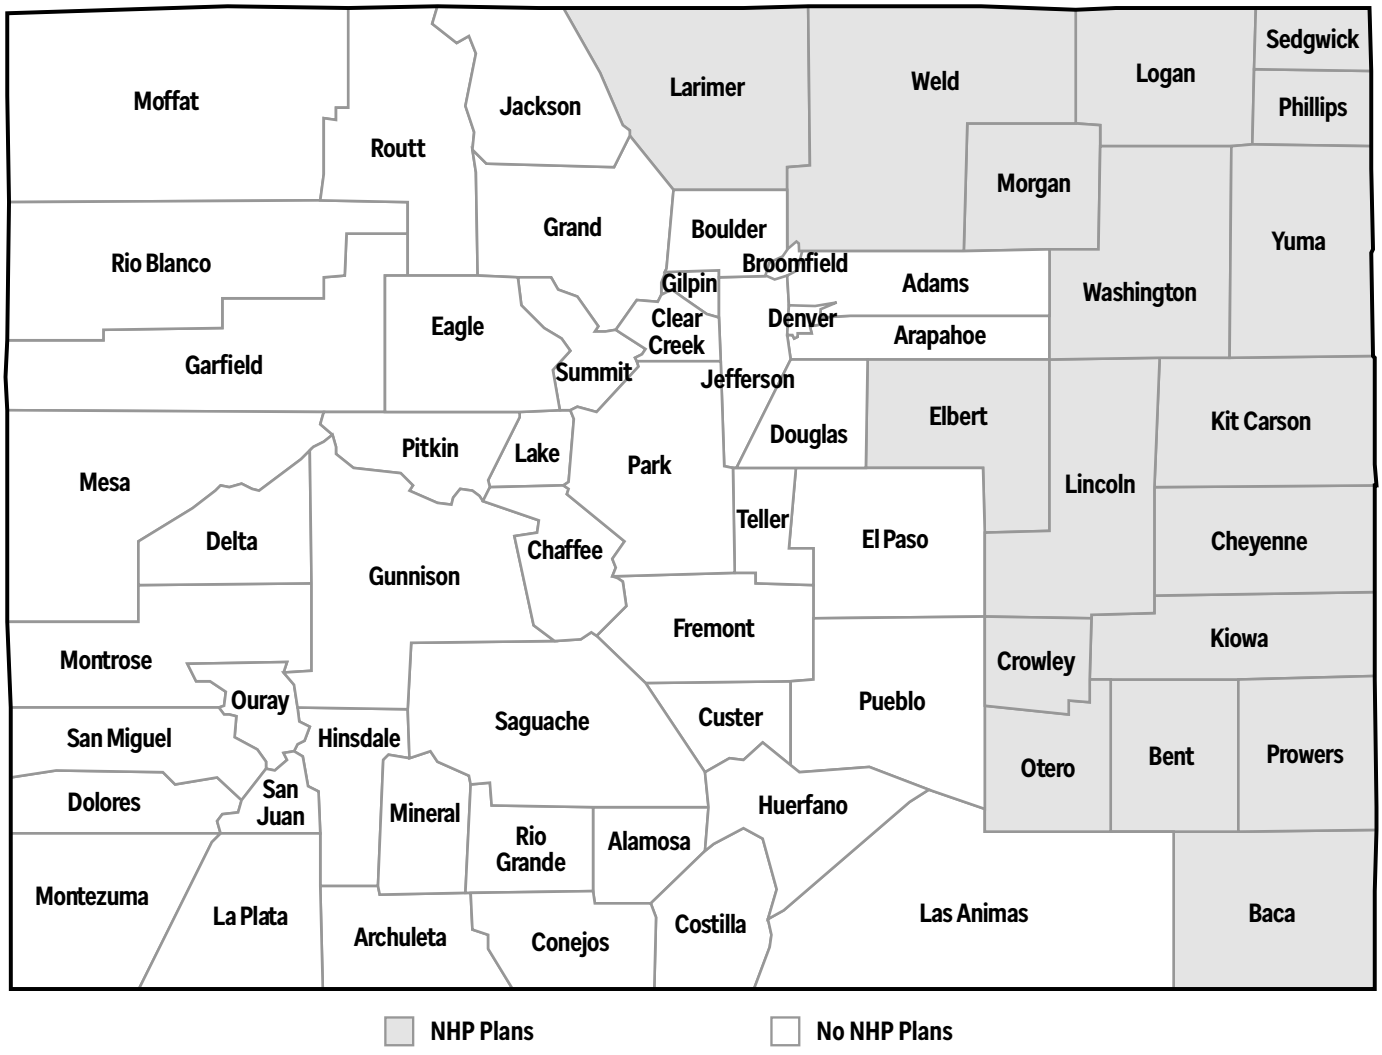
Urgent care is not the same as emergency care. It is for non-emergent but serious illness or injuries that need medical care. These can include fevers, flu symptoms, minor cuts, or minor burns. **If you need urgent care, call your PCP's office, even after normal business hours**, and follow their instructions. This includes weekends and holidays. Even if your PCP is not there, a provider will call you back to tell you how to get care.

Emergency care

Go to the **Emergency Room** if your condition is life threatening or your provider tells you to go. You should go to the Emergency Room for chest pain, trouble breathing, severe allergic reactions, loss of consciousness, sudden vision changes, severe bleeding, or if you think your condition may endanger the life of your unborn child.

If you have an emergency, call 911 or the local emergency phone number. Tell the Emergency Room staff that you are a Member of NHP's regional organization, and call your PCP as soon as you can.

Did you know? It is very expensive to get care in an emergency room. If your condition is serious but not an emergency, many providers will take care of you in their offices after hours or even on weekends. Providers who care for NHP Members are on call day and night, every day, for emergencies. In many areas, hospitals have rooms or urgent care centers where your provider can treat you. These are less costly than going to the emergency room. You may have to pay a copay if you go to the emergency room when you do not have a true emergency.



If you are temporarily out of the state but still a resident of Colorado, you may receive some Health First Colorado benefits under certain conditions:

1. It is a medical emergency.
2. Your health would be endangered if you were required to return to Colorado for the medical care/treatment.
3. The health care provider that treats you must enroll in the Health First Colorado program.

Acerca de este Directorio

La información en este Directorio es para los miembros de Health First Colorado que pertenecen a la organización regional de NHP. Enumera a los proveedores de salud del comportamiento que trabajan con NHP*. También ofrece información importante que le ayuda a comprender mejor cómo puede recibir servicios de cuidado de la salud. Además de los proveedores que aparecen en este directorio, los miembros de Health First Colorado pueden recibir servicios de los proveedores participantes de cuidado dental y de salud física de Health First Colorado a través de DentaQuest. También hay disponibles algunos servicios de transporte. Llame al Servicio al Cliente si necesita ayuda para encontrar un proveedor o servicios de cuidado de la salud que necesita.

En este Directorio, a menos que se indique lo contrario, todos los proveedores aceptan nuevos pacientes.

Estar inscrito en la organización regional de NHP no significa que se le garantiza que recibirá servicios de un proveedor determinado de esta lista. Llame al consultorio del proveedor primero y pregunte si está tomando nuevos miembros de Health First Colorado. Esta información es solo un resumen de la forma en que recibe beneficios a través de NHP. Esto no es un contrato.

* NHP trabaja para mantener e imprimir la informaci ón correcta, pero la informaci ón puede cambiar en cualquier momento. Agregamos proveedores a esta lista en diferentes momentos. NHP no es responsable de la informaci ón incorrecta o nombres que queden afuera de este Directorio. La informaci ón en este Directorio es exacta a la fecha impresa en la portada.

Los proveedores deben visitar **UHCprovider.com/portal** para usar la herramienta "My Practice Profile" (Perfil de Mi Consultorio) en el Portal para Proveedores de UnitedHealthcare bajo el menú desplegable "Practice Management" (Administración del Consultorio). Los problemas contractuales se deben tratar a través de su contacto de la red de UnitedHealthcare en **UHCprovider.com/contactus**.

Cómo recibir cuidado

Hay diferentes opciones para recibir el cuidado que usted necesita según su situación.

A menos que este anotado, todos los proveedores tienen horas de oficina normales (L–V, 8 a.m.–5 p.m.) y aceptan pacientes nuevos. Todos los proveedores son expertos en inglés a menos que se indique lo contrario.

Cuidado de salud del comportamiento

La **salud del comportamiento** es una parte importante de su salud general. Si tiene cambios en su estado de ánimo o comportamiento, o si el consumo de alcohol o drogas está teniendo un impacto en su vida, le recomendamos que hable con un proveedor. NHP puede ayudarle a comprender sus beneficios de salud del comportamiento y a encontrar un proveedor que pueda brindarle ayuda. Llame al Servicios para Miembros al **1-800-541-6870** para obtener ayuda con servicios de salud mental o servicios para tratar un trastorno por consumo de sustancias.

Ayuda para crisis

Si tiene problemas o si un ser querido está sufriendo y necesita ayuda de inmediato, llame o envíe un mensaje de texto al 988 o a los Servicios para Crisis de Colorado al 1-844-493-TALK (8255) o envíe TALK por mensaje de texto al 38255. Los habitantes de Colorado pueden recibir ayuda gratuita, confidencial e inmediata las 24 horas del día, los siete (7) días de la semana, los 365 días del año, si se comunican con el 988 o con los Servicios para Crisis de Colorado. Usted también puede recibir apoyo en Internet en **988Colorado.com**.

Cuidado de urgencia

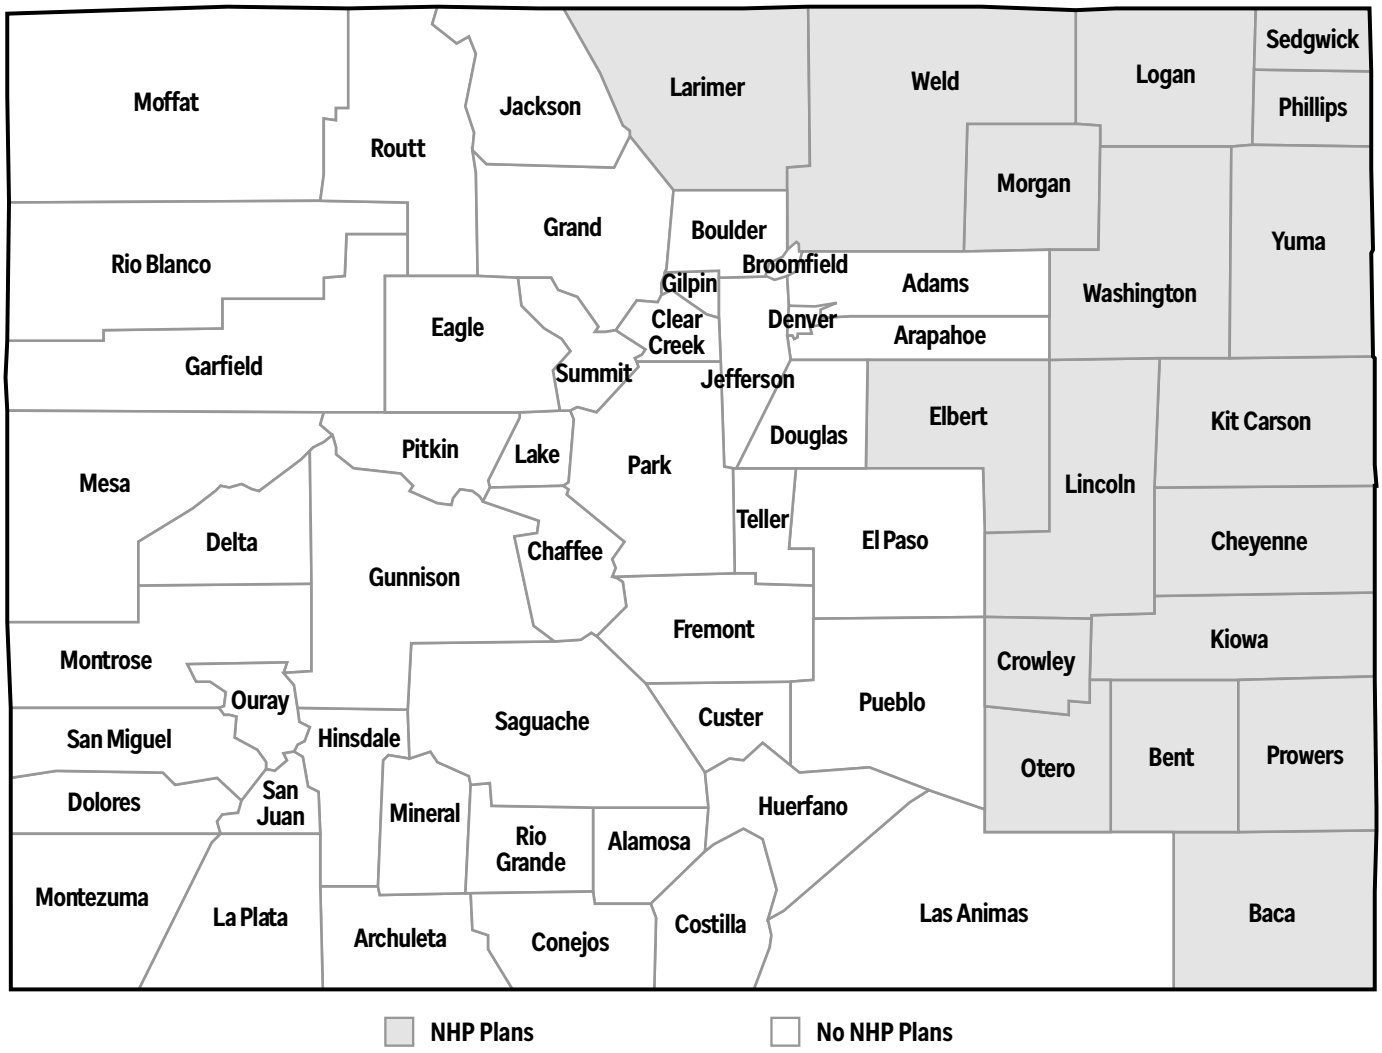
El cuidado de urgencia no es lo mismo que el cuidado de emergencia. Es para enfermedades o lesiones que no son de emergencia, pero son graves y necesitan cuidado médico. Estas pueden incluir fiebre, síntomas de gripe, cortes menores o quemaduras menores. **Si usted necesita cuidado de urgencia, llame al consultorio de su proveedor de cuidado primario, incluso después del horario de atención normal**, y siga sus instrucciones. Esto incluye fines de semana y días festivos. Aunque su proveedor de cuidado primario no se encuentre allí, un proveedor le devolverá la llamada para indicarle cómo recibir cuidado.

Cuidado de emergencia

Vaya a la **Sala de Emergencias** si su situación es potencialmente mortal o si su proveedor le dice que vaya. Debe ir a la Sala de Emergencias en caso de dolor de pecho, dificultad para respirar , reacciones alérgicas graves, pérdida del conocimiento, cambios repentinos en la vista, sangrado intenso o si considera que su situación podría poner en peligro la vida de su hijo por nacer.

En caso de emergencia, llame al 911 o al número de teléfono de emergencias local. Dígale al personal de la Sala de Emergencias que es miembro de la organización regional NHP, y llame a su proveedor de cuidado primario lo antes posible.

¿Lo sabía? Es muy costoso recibir cuidado en una sala de emergencias. Si su situaci ón es grave, pero no es una emergencia, muchos proveedores le atender án en sus consultorios fuera del horario de atenci ón o incluso los fines de semana. Los proveedores que atienden a los miembros de NHP est án de guardia d ía y de noche, todos los d ías, para emergencias. En muchas zonas, los hospitales tienen salas o centros de cuidado de urgencia en donde su proveedor puede tratarle. Estas opciones son menos costosas que ir a la sala de emergencias. Es posible que tenga que pagar un copago si va a la sala de emergencias cuando no tiene una emergencia verdadera.



Si se encuentra temporalmente fuera del estado, pero sigue siendo residente de Colorado, puede recibir algunos beneficios de Health First Colorado en determinadas circunstancias:

1. Es una emergencia médica.
2. Su salud estaría en peligro si tuviera que volver a Colorado para recibir el cuidado o tratamiento médico.
3. El proveedor de cuidado de la salud que le trata debe inscribirse en el programa de Health First Colorado.

Mapa de acceso a la organización regional NHP
