About your Provider Directory

This directory lists services you can get at home. It also lists services you must get at a health care office or hospital. If you do not find your service provider listed, please call the Customer Service Department at **1-800-791-9233**, or TTY **711** for hearing impaired, between the hours of 8 a.m. and 7 p.m. Eastern time, Monday through Friday.

Emergency care

A medical emergency happens when you are sick or injured – you feel your health might be in danger unless you get medical care right away. Any time you think you have an emergency, **call 911** or go to the Emergency Room. In an emergency, it does not matter if the hospital is in our network or not. It does not matter if you are in our Service Area, or not. Your Medicare or Medicaid will pay for emergency services.

You should call your Case Manager as soon as you are able after you get emergency care. Then, your treatment can be authorized and coordinated. All follow-up care must be provided or arranged by your provider.

Please call Customer Service to verify covered services. Services that are considered experimental and cosmetic are not covered. For a counseling or referral service that the health plan does not cover because of moral or religious objections, the health plan need not furnish information on how and where to obtain the service.

Some providers may choose not to perform certain services based on religious or moral beliefs.

Reporting incorrect information

To report incorrect information, email **provider_directory_invalid_issues@uhc.com**.

This email is for members to report potential inaccuracies for demographic (address, phone, etc.) data elements identified on the online or paper directories. Reporting issues via this email will result in an outreach to the provider's office to verify all directory demographic data.

Individuals can also report potential inaccuracies via phone. UnitedHealthcare Community Plan members should call the number on the back of their member ID card. Non-UnitedHealthcare Community Plan members can call **1-888-638-6613**.

Providers should go to **UHCprovider.com/portal** to use the My Practice Profile tool in the UnitedHealthcare Provider Portal under the Practice Management drop-down. Contractual issues should be addressed through your UnitedHealthcare Network contact at **UHCprovider.com/contactus**.

Acerca de su Directorio de Proveedores

Si usted no encuentra anotado a su proveedor de servicios, por favor llame al Departamento de Servicios para Clientes al **1-800-791-9233** o TTY **711** para personas con problemas de audición entre las 8 a.m. y las 7 p.m., tiempo del Este, de lunes a viernes.

Cuidados de emergencia

Una emergencia médica puede presentarse cuando usted está enfermo o lesionado – usted puede sentir que su salud está en peligro a menos de que usted obtenga asistencia médica de inmediato. En cualquier momento en que usted piense que tiene una emergencia, **llame al 911** o acuda a una sala de emergencias. En una emergencia, no importa si el hospital se encuentra dentro de la red o no. No importa si usted se encuentra dentro del área de servicio o no. Su plan de Medicare o de Medicaid pagará los servicios para emergencias.

Usted debe llamar a su Administrador de Caso tan pronto como le sea posible después de haber obtenido cuidados de emergencia. Así, su tratamiento será autorizado y coordinado. Su proveedor debe prestar o coordinar todo el cuidado médico de seguimiento.

Por favor llame a Servicios para Clientes para verificar los servicios que están cubiertos. Los servicios que se consideren experimentales o cosméticos no están cubiertos. Para la asesoría o la referencia de servicios que el plan no cubra por razones morales o religiosas, no se requiere que el plan de salud le provea con información acerca del servicio o de sitios en donde usted pueda obtenerlo.

Algunos proveedores pueden optar por no realizar ciertos servicios basados en creencias religiosas o morales.
