Using this Provider Directory

To find a provider, choose the county you want in the table of contents. Choose the type of provider you want. **Remember to take your member ID card with you.**

These listings are based on the provider's application. We verify certification when a provider joins our network. We check every three years (or sooner). We verify names, phone numbers, addresses, languages, limits and gender when a provider joins our network or gives us new information. A preferred provider meets certain standards or certification and is noted in this directory.

Some network providers may have been added or removed from our network after this directory was printed. We do not guarantee that each provider is still accepting new members.

For access to the most current information, please log in to your **myuhc.com** account and click Find a Doctor, or call Member Services at **1-800-690-1606**, TTY **711**.

Reporting incorrect information

To report incorrect information, email **provider_directory_invalid_issues@uhc.com**.

This email box is for members to report potential inaccuracies for demographic (address, phone, etc.) data elements identified on the online or paper directories. Reporting issues via this mailbox will result in an outreach to the provider's office to verify all directory demographic data.

Individuals can also report potential inaccuracies via phone. UnitedHealthcare Community Plan members should call the number on the back of their member ID card. Non-UnitedHealthcare Community Plan members can call **1-888-638-6613**.

Providers should go to **UHCprovider.com/portal** to use the My Practice Profile tool in the UnitedHealthcare Provider Portal under the Practice Management drop-down. Contractual issues should be addressed through your UnitedHealthcare Network contact at **UHCprovider.com/contactus**.
