

Health plans designed for better outcomes and costs

Get to know the UnitedHealthcare Charter® plan

UnitedHealthcare and Hillcrest HealthCare System (HHS) are working together to provide a health plan that promotes better health and lowers costs. UnitedHealthcare Charter offers your employees a variety of benefits and a network of providers and facilities to choose from. Employees select a network primary care physician (PCP) to lead their care. Plus, their PCP will provide annual checkups, preventive care and referrals to specialists when needed.

Quality care close to home

Together, UnitedHealthcare Charter and HHS are working to provide access to quality health care and promote better health and lower costs.

HHS is one of the area's largest health care providers, offering a network of physicians and services throughout northeast Oklahoma. Employees and their covered family members choose a PCP from HHS who will help guide them on their health journey and support their care needs—from developing personalized health plans to scheduling preventive care to managing chronic conditions and so much more.

The UnitedHealthcare Charter network is available in these counties:

- Creek
- Mayes
- Nowata
- Okmulgee
- Osage

Certain preventive care items and services, including immunizations, are provided as specified by applicable law, including the Patient Protection and Affordable Care Act (ACA), with no cost-sharing to you. These services may be based on your age and other health factors. Other routine services may be covered under your plan, and some plans may require copayments, coinsurance or deductibles for these benefits. Always review your benefit plan documents to determine your specific coverage details.
