

A health plan that works harder

Designed to offer better experience, more savings

UnitedHealthcare Level Funded supports all 3, with plans that are designed to bring you, your employees and their covered family members greater value. Plan participants have access to 3 value-added product features included at no additional cost to the plan participant and no out-of-pocket cost to the plan sponsor. Level Funded works to help drive better health, improve the plan participant health care experience and lower the total cost of care. Level Funded includes:

HealthiestYou™

Plan participants get 24/7 access to online doctors who can provide care for a variety of conditions, including:

- General medical care
- Back and neck care
- Dermatology
- Behavioral counseling
- Mental health counseling
- Expert medical advice (second opinion)

UnitedHealthcare Motion®

This program is included with all plans, not just HSA plans. Participants get rewarded for completing certain daily fitness goals, and they may earn up to \$1,095.

Benefits include:

- Option of prepaid debit card* or HSA dollars
- Rewards for walking, swimming, cycling and elliptical

\$0 copay for kids

This benefit provides unmarried dependents under the age of 19 with \$0 copays for primary care. It's available for copay-based medical plans and Premier PROformance plans.

Bigger savings through a better experience

With these valuable product features, Level Funded plans may help plan participants live healthier and save on out-of-pocket expenses. Plus, the potential for better health means the plan may receive a year-end surplus refund when medical claims are lower than expected. It's a big win for both you and your plan participants.
