# What UnitedHealthcare brings to New Mexico

## Quality health plans

Each of our plans has built-in programs that integrate quality care with technology, tools and resources and may include:

- \$0 out-of-pocket costs for the following network visits: primary care provider (PCP), virtual care and urgent care
- Value-based designs that encourage members to use quality network PCPs at lower copays
- PCP-guided decisions about care
- Standard copay designs that offer greater flexibility and access to care
- Specialty plans that may help you save on your medical premium

## Innovative tools

- **Employer eServices®** helps you manage enrollment, eligibility and billing in real time
- **myuhc.com®** gives your employees easy access to their plan — they are able to check claim status and history, view their benefits and health statements, refill a prescription, search for doctors and hospitals, see quality and cost-efficiency ratings, estimate the cost of care and much more
- **The UnitedHealthcare® app** is the mobile version of **myuhc.com** and is designed to help your employees manage different aspects of their health care, like searching for providers and getting health care cost estimates for specific treatments and procedures from their smartphone or tablet
- **24/7 Virtual Visits** conveniently connects employees to a doctor by phone or video\* through **myuhc.com** or the UnitedHealthcare app

## Wellness programs and more

- **New! 1-year Peloton® Digital Membership\*\***, which includes access to the Peloton App, gives your employees access to thousands of live and on-demand fitness classes – no fitness equipment required
- **Rally® Health and Wellness on myuhc.com** is a digital health and wellness experience that connects employees with personalized recommendations, health content, Missions, a Health Survey, Challenges and dozens of other resources to help them proactively manage their health
- **Real Appeal®** is an online weight-loss program that provides members with the tools and support to help them lose weight and potentially prevent weight-related health conditions

UnitedHealth Group® was named the top-ranking company in the insurance and managed care sector on Fortune's 2021 "World's Most Admired Companies" list<sup>3</sup> for the 11th year in a row.
