

Health plans built to go farther

Benefits designed to deliver more value
for your business

Dear <EmployerFirstName>,

Finding health benefits that work better for both your business and employees can make a big difference—in everything from your budget to employee recruiting.

Before you renew your current plan, put it up against one from UnitedHealthcare and see which one comes out on top. With a variety of plans to choose from, a UnitedHealthcare benefits package can be built around your business, offering:

- **More ways to save**, with a wide choice of plans built to fit your budget and tools employees can use to compare costs and treatment options
- **A choice of networks**, from the nation's largest proprietary network¹ to regional provider network options
- **A simpler health care experience** for employees, with wellness programs designed to help them get healthier, 24/7 Virtual Visits and tools like **myuhc.com**[®] and the UnitedHealthcare[®] app that help them access care and details about their benefits anytime
- **Simpler administration** for you, with real-time access to eligibility and billing, onboarding tools, claims and more
- **Deeper savings** when you offer UnitedHealthcare specialty benefits like vision and dental alongside a UnitedHealthcare medical plan

For more information on a group health plan built to go farther for your business and employees, connect with us or your broker before you renew.

Sincerely,

¹UnitedHealthcare internal analysis, Sept. 30, 2021.

24/7 Virtual Visits phone and video chat with a doctor are not an insurance product, health care provider or a health plan. Unless otherwise required, benefits are available only when services are delivered through a Designated Virtual Network Provider. 24/7 Virtual Visits are not intended to address emergency or life-threatening medical conditions and should not be used in those circumstances. Services may not be available at all times, or in all locations, or for all members. Check your benefit plan to determine if these services are available.

<Telehealth services are available in Connecticut in addition to 24/7 Virtual Visits.>

The UnitedHealthcare® app is available for download for iPhone® or Android®. iPhone is a registered trademark of Apple, Inc. Android is a registered trademark of Google LLC.

Specialty benefits and programs may not be available in all states or for all group sizes. Components subject to change. Minimum participation requirements may apply for bundling programs.

Important information about your employee health plan

Level Funded plans built to go farther

Benefits designed to deliver more value
and affordability for your business

Dear <EmployerFirstName>,

Many businesses today are looking for new ways to manage the cost of employee health benefits, while still being able to offer employees benefits they want.

Designed for flexibility and lower costs, UnitedHealthcare Level Funded plans include the potential for a surplus refund at year-end¹ if plan participant medical claims are lower than expected. Fixed monthly premiums help keep your budget predictable, and safeguards help protect your plan from unexpected high medical claims.

- **Greater cost efficiency**, with a wide selection of group health plans designed for greater value and better cost control
- **A choice of networks**, from the nation's largest proprietary network² to regional provider network options
- **A simpler health care experience** for employees, with 24/7 Virtual Visits and tools like myuhc.com[®] and the UnitedHealthcare[®] app that help them access care and details about their benefits anytime
- **Simpler administration** for you, with real-time access to eligibility and billing, onboarding tools, claims and more
- **Deeper savings** when you offer UnitedHealthcare specialty benefits like vision and dental alongside a UnitedHealthcare medical plan
