

Motion is moving to UnitedHealthcare Rewards

Your 2023 health plan is replacing UnitedHealthcare Motion[®] with UnitedHealthcare Rewards—an all-new, next-level program that brings the best of our wellness options into a digital experience built for a healthier lifestyle and rewards.

Please encourage your employees to take the following steps

30 days before your renewal date, it's important that your employees:

1 Update the Motion profile

Visit Motion at unitedhealthcaremotion.com. Update mailing address and bank information so we can send final rewards to the right account or preferred mailing address (in the case of a gift card).

2 Sync information

Sync the data with the Motion app on a daily basis and complete a final sync after the activity on the last day of the plan year.

3 Join Rewards

Download the UnitedHealthcare[®] app, available on iOS and AOS app stores, and start earning UnitedHealthcare Rewards.

Access to Motion is ending soon

- 30 days after the new plan year begins, access to the Motion program ends
- If you need reports, visit unitedhealthcaremotion.com

We're here to help facilitate a smooth transition. See the back for more details.

What you need to know

- Upon your renewal date, we'll be transitioning over to Rewards and employees will no longer be able to earn or receive Motion rewards
- You'll have access to reports in the Motion admin portal after the transition

UnitedHealthcare will contact participants who are enrolled in Motion

Communications will begin approximately one month before your renewal date and continue 20 days after your renewal date to help guide the transition to Rewards.
