2021 Connecticut Small Group (1-50) UnitedHealthcare Plans

Connecticut
Small Group (1-50) Plans
Effective January 1, 2021

¹Primary Care Physicians include Family Practice, Internal Medicine, Obstetrics-Gynecology, and Pediatrics.

²Plans listed as non-embedded/embedded reflect non-embedded deductibles and embedded out-of-pocket maximums meaning no individual in the family has satisfied the deductible until the entire family amount has been met. An individual will not have to pay more than the individual OOP Max amount.

Note: Pharmacy mail order is 2.5x.

Note: Radiology maximum to support the \$75 to \$375 annual max. Maximum for PET is \$400.

Note: For HSAs with copayments, copayments will not apply until after the deductible has been satisfied.

Note: All plans include Preferred Generics (also known as Mac-A).

In 2021, maximum HSA contribution is \$3,600 single/\$7,200 family. These amounts are subject to change by IRS and do not include catch-up contributions for subscribers age 55 and over. The UnitedHealthcare Health Savings Account (HSA) high-deductible health plan (HDHP) is designed to comply with IRS requirements so eligible enrollees may open a Health Savings Account with a bank of their choice or through Optum Bank®, Member of FDIC. "UnitedHealthcare HSA" refers generally to the UnitedHealthcare HSA product, which includes an HDHP, although at times "UnitedHealthcare HSA" may refer only and specifically to the UnitedHealthcare Health Savings Account, provided in conjunction with Optum Bank and not to the associated HDHP.

Insurance coverage provided by or through UnitedHealthcare Insurance Company or its affiliates. Administrative services provided by United HealthCare Services, Inc. or their affiliates.
