Make a SPLASH!
Fun ways to flavor your water.

Freeze your fruit. Add frozen berries for flavor and color. Or freeze pureed fruit or 100 percent juice in ice cube trays.

Very Berry  Mango Delight  Marvelous Melon

Squeeze in citrus. Cut fruit into wedges or slices — or just splash the juice in.

Lemon Lover  Luscious Lime  Orange Fusion

Go herbal. Add unique flavors with chopped or whole herbs and spices.

Minty Refresher  Juicy Ginger  Basil Sipper

Fruit and vegetable peels may carry bacteria, so be sure to rinse produce thoroughly before slicing or serving.

No recipe to follow! Quantities of fruit and other flavorings can vary based on taste and what you have on hand.

Mix and match. Whether it's a full pitcher or just a glass, get creative.

Green Goodness cucumber + rosemary  Strawberry Sparkler strawberry + basil + sparkling water  Tropical Treat pineapple + kiwi + mint

Snooze and infuse. Mix your fresh pickings with cold water — and refrigerate overnight for maximum flavor.
