UnitedHealthcare® is committed to serving and equipping caregivers.

We connect caregivers to comprehensive support services tailored to their specific needs so they can continue to thrive in their everyday lives.

Caregiving support — all in one place.

Our public-facing landing page serves as a caregiving tool and resource hub.

uhc.com/caregiving

Access our care guides from this landing page. Each offers a comprehensive overview with curated expert advice, along with tools and resources for caregivers on the following topics:

- General Care Guide
- Alzheimer’s Care Guide
- Hip and Knee Surgery Guide

Care Organizer

This guide can be printed and used as a place to keep all financial, medical, household information and more in one place.
More tools and resources found at uhc.com/caregiving

**Caregiver Resource Library** is full of articles about home care, financial questions, specific disease care and more.

**Medicare Made Clear** explains how Medicare works and what's covered.

**Pharmacy Locator** helps locate network pharmacies.

**Drug Cost Estimator** helps estimate drug costs.

**Just Plain Clear®** glossary simplifies health care terms.

We also provide access to national programs and organizations that offer caregiver support:

**National Alliance for Caregiving** is dedicated to improving quality of life for friend and family caregivers and those in their care.

**Family Voices** focuses on advocacy and support for caregivers of children and youth with special needs.

**AARP Caregiving** resources that help with navigating the role of family caregiver.

**Caregiving Action Network** works to improve the quality of life for those who care for loved ones with chronic conditions, disabilities, disease or the frailties of old age.

We're here for caregivers every step of the way.

UnitedHealthcare works diligently to ensure we are versed and ready to serve caregivers. Our customer service advocates are equipped to help and provide resources that lend relevant, personal support for caregivers.
