

Pennsylvania Nondiscrimination Notice

UnitedHealthcare complies with applicable federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex, including sex stereotypes and gender identity. Coverage for medically necessary health services is made available on the same terms for all individuals, regardless of sex assigned at birth, gender identity, or recorded gender.

UnitedHealthcare will not deny or limit coverage to any health service based on the fact that an individual's sex assigned at birth, gender identity, or recorded gender is different from the one to which such health service is ordinarily available.

UnitedHealthcare will not deny or limit coverage for a specific health service related to gender transition if such denial or limitation results in discriminating against a transgender individual.
