**Information Regarding Plan Coverage for Hearing Aids**

The benefit information for Hearing Aids is incorrect in your health plan Certificate of Coverage. The dollar limit of $2,500 does not apply to children ages 17 and under. **There is no dollar limit for eligible Hearing Aid expenses for children 17 and under.**

Coverage for Hearing Aids under your current health plan is as follows:

- **Ages 17 and under:** Benefits are limited to a single purchase (including repair/replacement) per hearing impaired ear every three years.
- **Ages 18 and over:** Limited to $2,500 in Eligible Expenses per year. Benefits are limited to a single purchase (including repair/replacement) per hearing impaired ear every three years.

Claims for hearing aids are processing at the correct benefit level. You do not need to resubmit previous claims for hearing aid benefits.
