UCR (usual and customary cost) is the amount providers typically charge for a service. This chart uses UCR based on FAIR Health at the 80th percentile for zip code 11204. Your provider may bill more than UCR.

Patient pays represents sample cost-sharing. Your cost-sharing may vary.

STD is an example showing the maximum amount the plan pays. In these examples, the STD plan pays based on data from third party sources at the 70th percentile; the deductible is \$4,000 and the coinsurance is 50%.

FAIR is an example showing the maximum amount the plan pays. In these examples, the FAIR plan pays based on UCR; the deductible is \$4,000 and the coinsurance is 50%.
