How to Submit a Claim

If You Receive Covered Health Services from a Network Provider
We pay Network providers directly for your Covered Health Services. If a Network provider bills you for any Covered Health Service, contact us. However, you are responsible for meeting any applicable deductible and for paying any required Copayments or Coinsurance to a Network provider at the time of service, or when you receive a bill from the provider.

If You Receive Covered Health Services from a Non-Network Provider
When you receive Covered Health Services from a non-Network provider as a result of an Emergency or if we refer you to a Non-Network provider, you are responsible for requesting payment from us. You must file the claim in a format that contains all of the information we require, as described below.

Notice of Claim
You should submit a request for payment of Benefits within 90 days after the date of service. If you don't provide this information to us within one year of the date of service, Benefits for that health service will be denied or reduced, as determined by us. This time limit does not apply if you are legally incapacitated. If your claim relates to an Inpatient Stay, the date of service is the date your Inpatient Stay ends.

Claim Forms and Proof of Loss
We do not require that you complete and submit a claim form. Instead, you can provide proof of loss by furnishing us with all of the information listed directly below under Required Information.
