

Notice of Protection Provided by Missouri Life and Health Insurance Guaranty Association

This notice provides a *brief summary* of the Missouri Life and Health Insurance Guaranty Association (“the Association”) and the protection it provides for policyholders. This safety net was created under Missouri law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, annuity, or health insurance company becomes financially unable to meet its obligations and is taken over by its insurance department. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Missouri law, with funding from assessments paid by other insurance companies. (For purposes of this notice, the terms “insurance company” and “insurer” include health maintenance organizations (HMOs).)

The basic protections provided by the Association are as follows:

- **Life Insurance**

- \$300,000 in death benefits, but not more than \$100,000 in net case surrender and net case withdrawal values
- \$100,000 in cash surrender or withdrawal values

- **Health Insurance**

- \$500,000 in hospital, medical and surgical insurance benefits
- \$300,000 in disability insurance benefits
- \$300,000 in long-term care insurance benefits
- \$100,000 in other types of health insurance benefits

- **Annuities**

- \$250,000 in the present value of annuity benefits, including net case surrender and net cash withdrawal values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is as follows:

- \$300,000 in aggregate for all types of coverage listed above, with the exception of health benefit plans
- \$500,000 in aggregate for health benefit plans
- \$5,000,000 to one policy owner of multiple nongroup policies of life insurance, whether the policy owner is an individual, firm, corporation, or other person, and whether the persons insured are officers, managers, employees, or other persons

“Health benefit plan” is defined in section 376.718, RSMo.

Note: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also various residency requirements and other limitations under Missouri law.

Benefits provided by a long-term care (LTC) rider to a life insurance policy or annuity contract shall be considered the same type of benefits as the basic life insurance policy or annuity contract to which it relates.

Insurance companies and agents are not allowed by Missouri law to use the existence of the Association or its coverage to encourage you to purchase any form of insurance or HMO coverage. When selecting an insurance company, you should not rely on Association coverage. If there is any inconsistency between this notice and Missouri law, then Missouri law will control.
