Managing your family’s health and well-being can get complicated, but we can help you make it simpler.

The Oxford Benefit Management plan you’ve picked comes with a well-balanced package of benefits that include dental coverage and basic employee life insurance (except the Voluntary Plan Option).

It’s a valuable combination of services. And it’s a good value for your money, especially when you use a dentist or doctor who’s in your provider network.

Accessing information.

Visit the website www.uhc.com/obm to learn more about your benefits and to find a list of providers in your Oxford Benefit Management network.

• Visit uhc.com/obm.
• Click on “OBM for Members.”
• Make your selection from the links at the bottom of the page.

You can also call OBM Member Services toll-free at 1-800-521-9845 Monday through Friday from 8 a.m. to 5 p.m. ET for help with:

• Getting answers to claims and claims payment questions.
• Understanding your benefits.
• Locating a participating network provider.
• Ordering a duplicate member ID card.
• Questions about health discounts.
• Answering any other questions you have about your OBM benefits.

Understanding your OBM ID card.

On the front of your personal OBM ID card, you’ll find your member ID number. Refer to this number when you call Member Services and access website tools such as the discount program.

On the back of your personal ID card, you will find the claims mailing address that you’ll need if you see a dentist or eye care provider who isn’t in the OBM network. You can find and print out the actual claim form from the uhc.com/obm website. You’ll need to complete the form and mail it for processing.
Picking a dentist from the UnitedHealthcare dental network.

1. Go to the uhc.com/obm website.
   - Visit uhc.com/obm.
   - Select OBM for Members.
   - Click on My Dental Plan under OBM Service Locator to find a network provider.

2. Call to schedule an appointment, and be sure to verify the provider’s participation in the UnitedHealthcare Dental network.

3. At the time of your appointment, show your OBM ID card.

You may decide to see a dentist who is not a part of the UnitedHealthcare Dental network.

And that’s OK, but you’ll be responsible for:
- Paying all costs at the time of service.
- Filling out and mailing a dental claim form to be reimbursed for a portion of the services.

If you need to get a dental claim form:
- Visit uhc.com/obm.
- Select OBM for Members.
- Scroll down to Member Forms & Tools.
- Click on the Dental Claim Form to download and print a copy.

If you have any questions about your dental benefits or need help locating a participating provider, call OBM Member Services at 1-800-521-9845, and follow the instructions for Dental Benefits.

Your dental benefits include:

- Fully insured dental coverage, including: Preventive care, and diagnostic procedures such as cleanings, X-Rays and routine examinations.
- Preventive care programs with coverage for prenatal dental care for women in their second and third trimester, additional preventive and periodontal services with no out-of-pocket costs, and coverage for oral cancer screening.
- Access to our large national network of more than 185,000 participating dentists and specialists.

How to access dental benefit and claims information:

Once enrolled in our dental program, you can access information about your dental benefits any time, day or night, through our website. For specific plan or claims information, go to the member section of uhc.com/obm. Click on the link called My Dental Plan. The first time you visit My Dental Plan under the OBM Services Locator section of the member page, you’ll be asked to register as a member using a unique ID number. This number is the last five digits of your member ID with four preceding zeros. For example, if your member ID is 6800012345, you would enter the subscriber ID of 000012345. Once you have registered, you can log in and select the tools on the site that meet your needs.
Choosing an eye doctor.

1. Select a provider from the UnitedHealthcare Vision network.
   • Visit uhc.com/obm.
   • Select OBM for Members.
   • Click on My Vision Plan under OBM Service Locator to find a network provider. Enter your ZIP code to find a provider near you.
   • You’ll see symbols next to each provider’s name that tells you if they do eye exams only, sell vision care products only, or both.

2. Call to schedule an appointment and be sure to tell them you have UnitedHealthcare Vision coverage. This will help the provider’s office verify eligibility before you go to your appointment.

3. At the time of your appointment:
   • Show your OBM member ID card.
   • You’re only responsible for your copayments and certain patient options such as tints and coatings, or choosing non-selection frames.
   • There are no claim forms to submit and no referral forms are necessary for covered services when obtained from a participating UnitedHealthcare Vision network provider.

If you have any questions about your vision benefits or need help locating a participating provider, call OBM Member Services at 1-800-521-9845.

Using the discount program.

How to find participating providers and use your health discounts benefit:

- Visit uhc.com/OBM.
- Select OBM for Members.
- Click on the Health Discounts link under the OBM Services Locator section.

First-time users should follow the New Member/Create Account instructions, entering the member ID number from their OBM ID card. Select a category (such as Alternative Care) and a specialty (such as Massage Therapy) to search for providers by ZIP code.

- Click Details to learn more about a participating provider.

If you choose to make an appointment with the provider, be sure to bring your discount confirmation and your OBM member ID card with you to your visit.

At your appointment, pay the discounted rate directly to the provider. Remember, the discount program isn’t insurance and you’re responsible for paying the discounted cost at the time of your visit.

To purchase health and wellness-related products from the online Marketplace, no confirmation is necessary. Simply follow the on-screen instructions to get your discount. You may need to enter a discount code, or the discount may be automatically applied at checkout.
