

You are getting a new health plan ID card

Thank you for making UnitedHealthcare your choice for coverage and benefits to help improve your health and wellness. We value our relationship and continually strive to help deliver even greater value for our members.

When your new plan year begins, you and your covered dependents will receive new health plan ID cards, which contain your Member ID number, new Group Number and important information for your pharmacy.

What this means for you:

- When you receive your new ID card(s) in the mail, destroy your old card(s)
- In the past, you received 1 ID card for your entire family. Each family member will now have their own health plan ID card.
- Present your new ID card(s) at your next doctor and pharmacy visit
- You may also access your new ID cards through **myuhc.com**[®] and the UnitedHealthcare[®] app

If you are a current **myuhc.com** user, you will continue to use **myuhc.com** to help you manage your health plan.

You can also call the toll-free phone number on your new health plan ID card when you get it and speak with a Customer Service representative.

United Healthcare

The UnitedHealthcare[®] app is available for download for iPhone[®] or Android[®]. iPhone is a registered trademark of Apple, Inc. Android is a registered trademark of Google LLC.
