

Bringing even more sunshine to Florida

UnitedHealthcare is all about solutions. No matter how you get into the health care system, we can help make it simpler.

Reasons to choose a Neighborhood Health Partnership plan

Experience with plans for employers of all sizes

With over 125,000 Neighborhood Health Partnership (NHP) plan members enrolled in Florida, our NHP portfolio includes patient-centered care plans with direct access options across the entire NHP network of physicians and hospitals. We also offer vision, dental, life and disability plans, helping make it easier for employers of all sizes to take advantage of streamlined administration.

Local network access

Broad network of local, quality physicians and other health care professionals, including network hospitals and facilities close to home.

Innovative tools for employers and employees alike

With tools designed to help NHP members make more informed health care decisions, plus services to help employers manage more easily, UnitedHealthcare is committed to helping deliver a better experience.

What sets NHP apart

- Members have the strength of UnitedHealthcare behind every NHP plan
- NHP plans are competitively priced health maintenance organization (HMO) and point-of-service (POS) plans that appeal to a wide range of employers who are looking for a value product designed to be affordable
- NHP plans are positioned to be less expensive for the employee because they are local-access, patient-centered, plan designs offering value medical benefits with a selection of wellness features
- Insurance agents can help employers make choices that will help them achieve their business financial goals while still providing a health benefit package that can be competitive

Virtual Visits phone and video chat with a doctor are not an insurance product, health care provider or a health plan. Unless otherwise required, benefits are available only when services are delivered through a Designated Virtual Network Provider. Virtual Visits are not intended to address emergency or life-threatening medical conditions and should not be used in those circumstances. Services may not be available at all times, or in all locations or for all members. Check your benefit plan to determine if these services are available.

Rally Health provides health and well-being information and support as part of your health plan. It does not provide medical advice or other health services, and is not a substitute for your doctor's care. If you have specific health care needs, consult an appropriate health care professional. Participation in the health survey is voluntary. Your responses will be kept confidential, in accordance with the law, and will only be used to provide health and wellness recommendations or conduct other plan activities.

All UnitedHealthcare members can access a cost estimator tool online or on the mobile app. None of the cost estimate tools are intended to be a guarantee of your costs or benefits. Your actual costs may vary. When accessing the tool, please refer to the Website or Mobile application terms of use under Find Care & Costs section.
