

Pediatric COVID-19 Vaccination Reward Rider

Oxford Health Insurance, Inc.

This Rider to the Policy is issued to the Group and provides a description of the [Pediatric COVID-19 Vaccination Reward](#) program.

Because this Rider is part of a legal document (the Group Policy), We want to give You information about the document that will help You understand it. Certain capitalized words have special meanings. We have defined these words in the *Certificate of Coverage* in *Section I: Definitions*.

When We use the words "We," "Us," and "Our" in this document, We are referring to Oxford Health Insurance, Inc.

Pediatric COVID-19 Vaccination Rewards Program

The Pediatric COVID-19 Vaccination Reward Program provides a reward to a Subscriber for an enrolled Dependent Child, ages 5 years through 17 years for Pediatric COVID-19 Vaccine as authorized by the *Centers for Disease Control and Prevention (CDC)*.

To be eligible for the reward, the completion of the primary series of vaccinations must be administered between [May 5, 2022](#) through [October 1, 2022](#).

Vaccination	Reward Amount
FDA-approved pediatric COVID-19 vaccination - fully vaccinated per <i>CDC</i> guidelines	\$100 pre-paid Target gift card per eligible enrolled Dependent Child

Reward

The reward stated above, when earned, will be issued by Us directly to the Subscriber as a \$100 pre-paid Target GiftCard.

The maximum reward will not exceed 30% of the cost of coverage for all programs combined, as applicable.

[Effective Date of this Rider: May 5, 2022](#)
