Summary of Benefits

January 1st, 2023 - December 31st, 2023

This is a summary of what we cover and what you pay. Review the Evidence of Coverage (EOC) for a complete list of covered services, limitations and exclusions. You can see it online at **myAARPMedicare.com** or you can call Customer Service for help. When you enroll in the plan, you will get more information on how to view your plan details online.

About this plan

AARP® Medicare Advantage Freedom Plus (HMO-POS) is a Medicare Advantage HMOPOS plan with a Medicare contract.

To join this plan, you must be entitled to Medicare Part A, be enrolled in Medicare Part B, live within our service area listed below, and be a United States citizen or lawfully present in the United States.

Our service area includes these counties in:

California: Riverside, San Bernardino.

Use network providers and pharmacies

AARP® Medicare Advantage Freedom Plus (HMO-POS) has a network of doctors, hospitals, pharmacies, and other providers. For some services you can use providers that are not in our network. This health plan requires you to select a primary care provider (PCP) from the network. Your PCP can handle most routine health care needs and will be responsible to coordinate your care. If you need to see a network specialist or other network provider, you may need to get a referral from your PCP. We encourage you to find out which specialists and hospitals your primary care provider would recommend for you and would refer you to for care, prior to selecting them as your plan's PCP. If you use pharmacies that are not in our network, the plan may not pay for those drugs, or you may pay more than you pay at a network pharmacy.

You can go to **AARPMedicarePlans.com** to search for a network provider or pharmacy using the online directories. You can also view the plan Drug List (Formulary) to see what drugs are covered and if there are any restrictions.
