UnitedHealth Passport Program

Your coverage travels with you

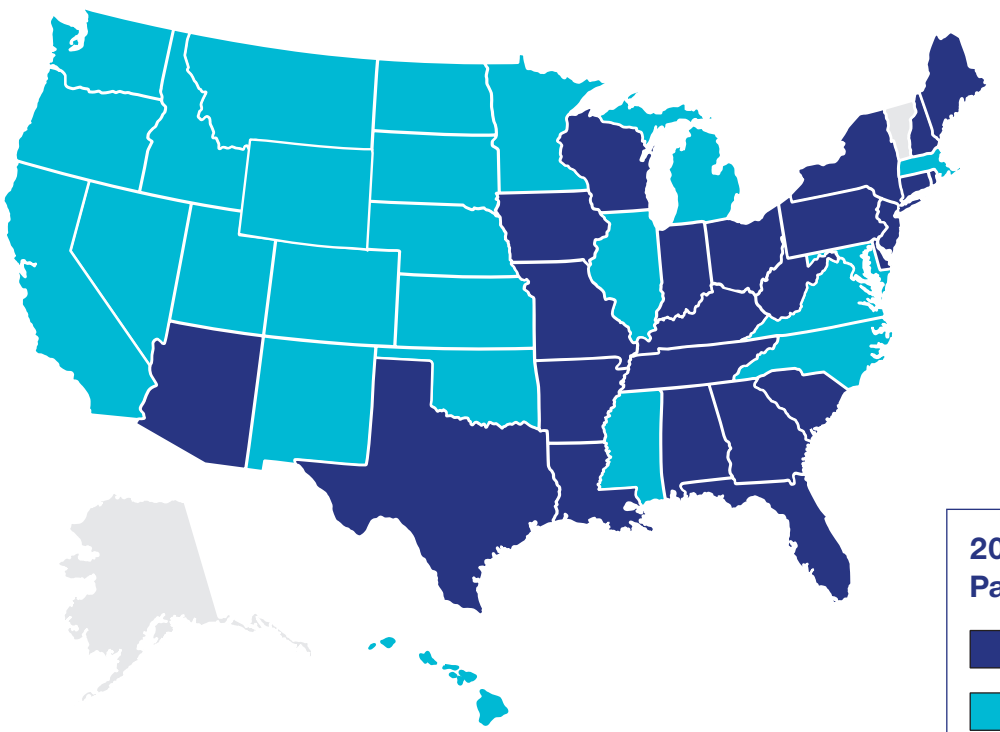

Use UnitedHealth Passport® when you're away from home or out of your plan's service area.

Before you travel
Call the member number on your UnitedHealthcare UCard® and let us know the address you're traveling to. We can activate the program and help you find a network provider if needed.

While you're away
Use your plan as usual. You'll pay your usual copay or coinsurance for covered services when you visit any network provider in the Passport service area. Your plan's out-of-pocket maximum also applies to covered services received under Passport. Plus, no referrals are needed.

When you return home
Call us so we can deactivate the program. Passport can only be used for 9 months in a row.

Emergency medical care is covered wherever you need it
Passport is not required for worldwide urgent and emergency care.
