This is a summary of what we cover and what you pay. Review the Evidence of Coverage (EOC) for a complete list of covered services, limitations and exclusions. About this plan

UnitedHealthcare® Medicare Silver (Regional PPO C-SNP) is a Medicare Advantage RPPO plan with a Medicare contract.

To join this plan, you must be entitled to Medicare Part A, be enrolled in Medicare Part B, live within our service area listed below, and be a United States citizen or lawfully present in the United States.

UnitedHealthcare® Medicare Silver (Regional PPO C-SNP) is a Chronic or Disabling Condition Special Needs Plan designed to specifically help people who have one or more of the following conditions: Cardiovascular Disorders, Chronic Heart Failure, and Diabetes.

Our service area includes **Texas.**

Use network providers and pharmacies

UnitedHealthcare® Medicare Silver (Regional PPO C-SNP) has a network of doctors, hospitals, pharmacies, and other providers. With this plan, you have the freedom to see any provider nationwide that accepts Medicare. Plus, you have the flexibility to access a network of local providers. You may pay a higher copay or coinsurance when you see an out-of-network provider. When looking at the following charts you'll see the cost differences for network vs. out-of-network care and services. If you use pharmacies that are not in our network, the plan may not pay for those drugs, or you may pay more than you pay at a network pharmacy.

You can go to **UHC.com/Medicare** to search for a network provider or pharmacy using the online directories. You can also view the plan Drug List (Formulary) to see what drugs are covered and if there are any restrictions.

Plan Deductible

Your plan has a deductible for certain services. The benefit information provided is a summary of what we cover and what you pay. It doesn't list every service that we cover or list every limitation or exclusion. The Evidence of Coverage (EOC) provides a complete list of services we cover.

The deductible applies to the following Medicare-covered benefit categories, unless otherwise specified.

Annual Medical Deductible

Your deductible is $233 per year for covered medical services you receive from providers as described below. Until you have paid the deductible amount, you must pay the full cost of your covered medical services.

Here's how it works:

1. You pay your plan's deductible in full; then,
2. You pay your copay or coinsurance; finally,
3. Your plan pays the rest.

The deductible applies in and out-of–network to the following Medicare-covered benefit categories, unless otherwise specified:
