About this plan

UnitedHealthcare® Chronic Complete Assure (PPO C-SNP) is a Medicare Advantage PPO plan with a Medicare contract.

To join this plan, you must be entitled to Medicare Part A, be enrolled in Medicare Part B, live within our service area listed below, and be a United States citizen or lawfully present in the United States.

UnitedHealthcare® Chronic Complete Assure (PPO C-SNP) is a Chronic or Disabling Condition Special Needs Plan designed to specifically help people who have one or more of the following conditions: Cardiovascular Disorders, Chronic Heart Failure, and Diabetes.

Our service area includes these counties in:

New Mexico: Dona Ana, Grant, Hidalgo, Luna, Sierra.

Use network providers and pharmacies

UnitedHealthcare® Chronic Complete Assure (PPO C-SNP) has a network of doctors, hospitals, pharmacies and other providers. With this plan, you have the freedom to see any provider nationwide that accepts Medicare. Plus, you have the flexibility to access a network of local providers. You may pay a higher copay or coinsurance when you see an out-of-network provider. When looking at the following charts you'll see the cost differences for network vs. out-of-network care and services. If you use pharmacies that are not in our network, the plan may not pay for those drugs, or you may pay more than you pay at a network pharmacy.

You can go to **UHC.com/Medicare** to search for a network provider or pharmacy using the online directories. You can also view the plan Drug List (Formulary) to see what drugs are covered and if there are any restrictions.
